Sjur Bergan
Our AFS Student
From
Moss, Norway

Alton High's AFS exchange student this year is Sjur Bergan, from Moss, Norway. Sjur is spending his stay in America with the family of Dr. Richard Yoder.

Sjur is studying French III, Masterpieces, Radio and T.V. Civics, and U.S. History, his favorite subject. He enjoys Alton High and finds it easy. Sjur also went out for soccer in the fall and is a member of the American Field Service Club.

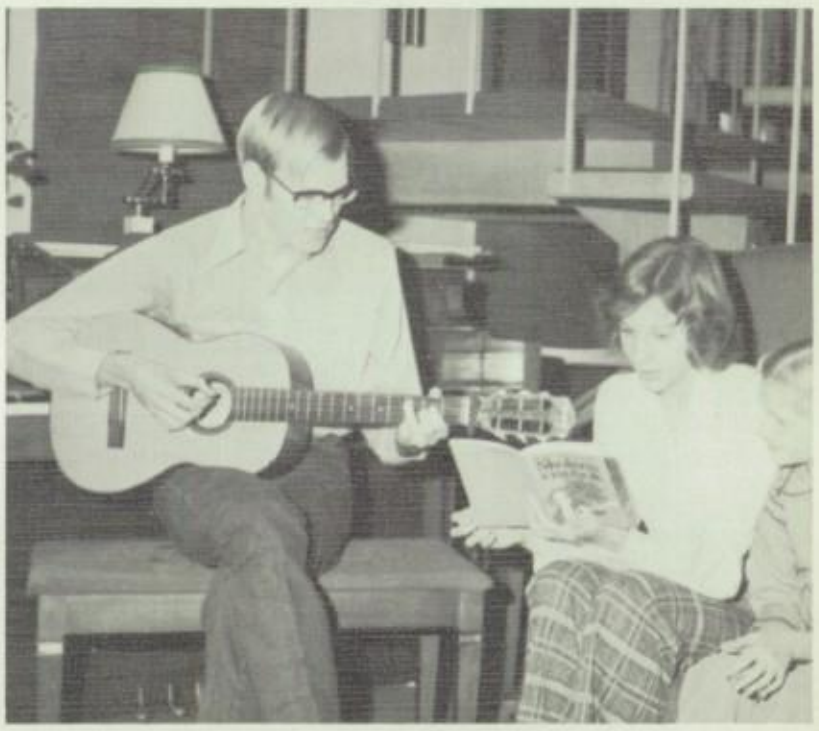
In his spare time, Sjur enjoys bike riding and playing basketball. He finds the food here very good, especially the desserts!

This is Sjur's first trip to the United States. The students of Alton High hope that Sjur enjoys himself here and will visit again in the future.

Sjur and his American Family.

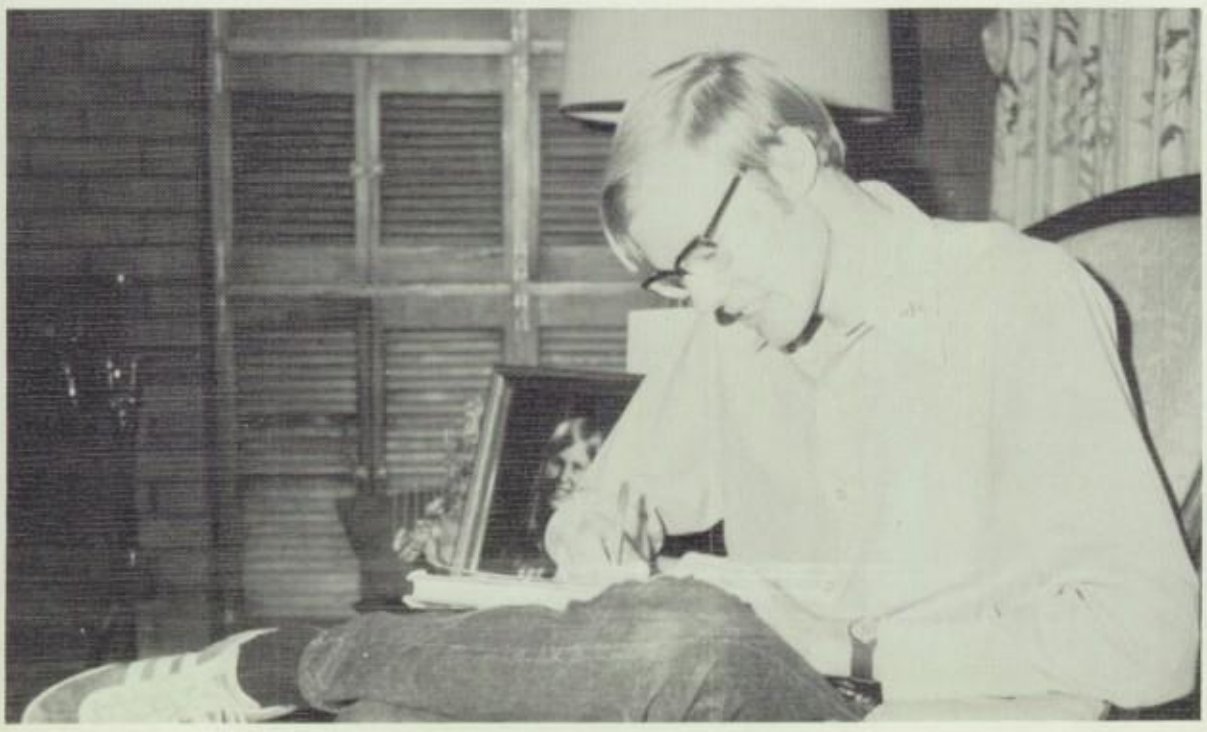
Sjur is sure gonna get it now!

Sjur teaches his American sisters a card game called "American".



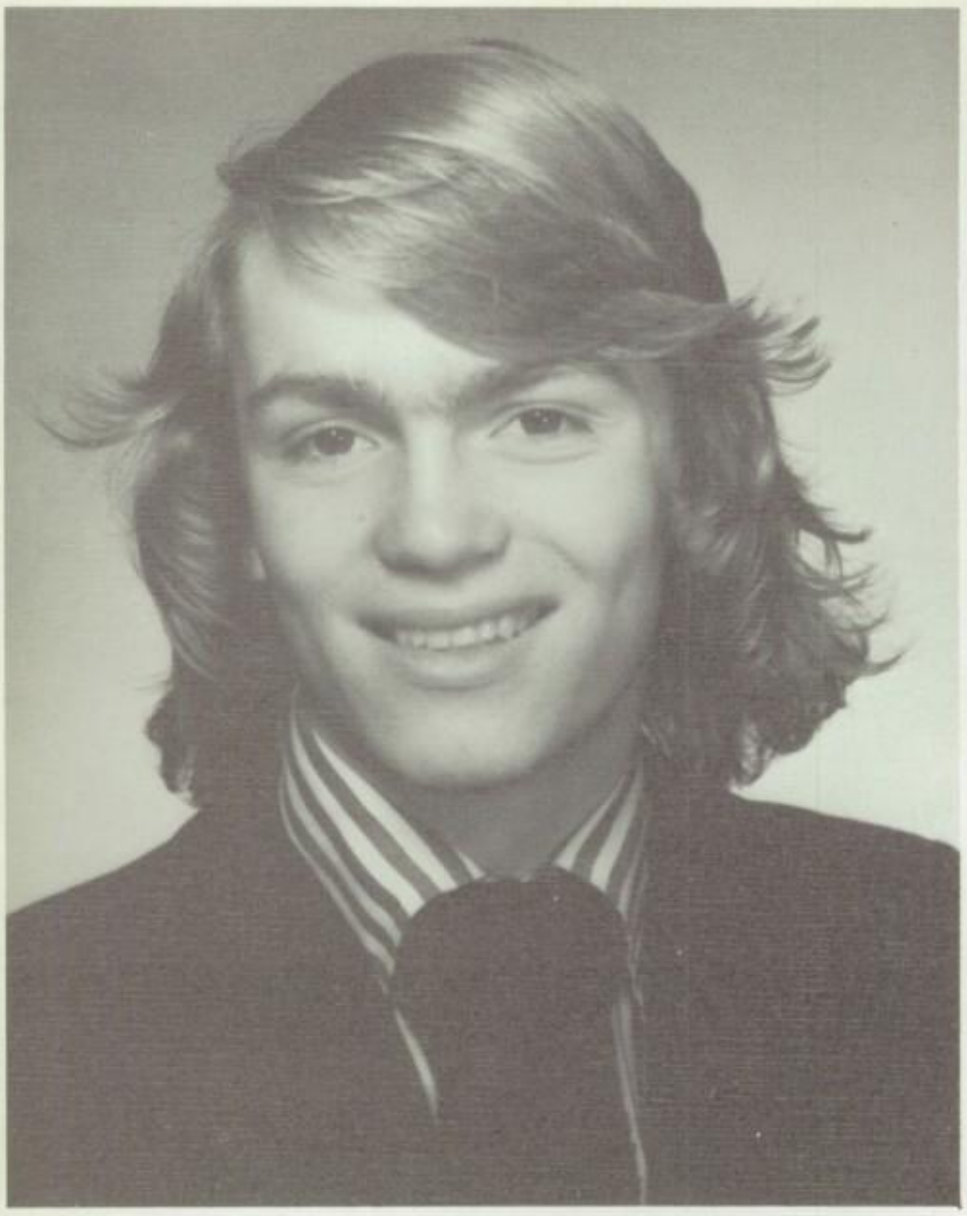
"Oh, give me a home . . . ."

Sjur gets a tour of the neighborhood.



Dear Mom and Dad . . . .

Sink it, Sjur, sink it!



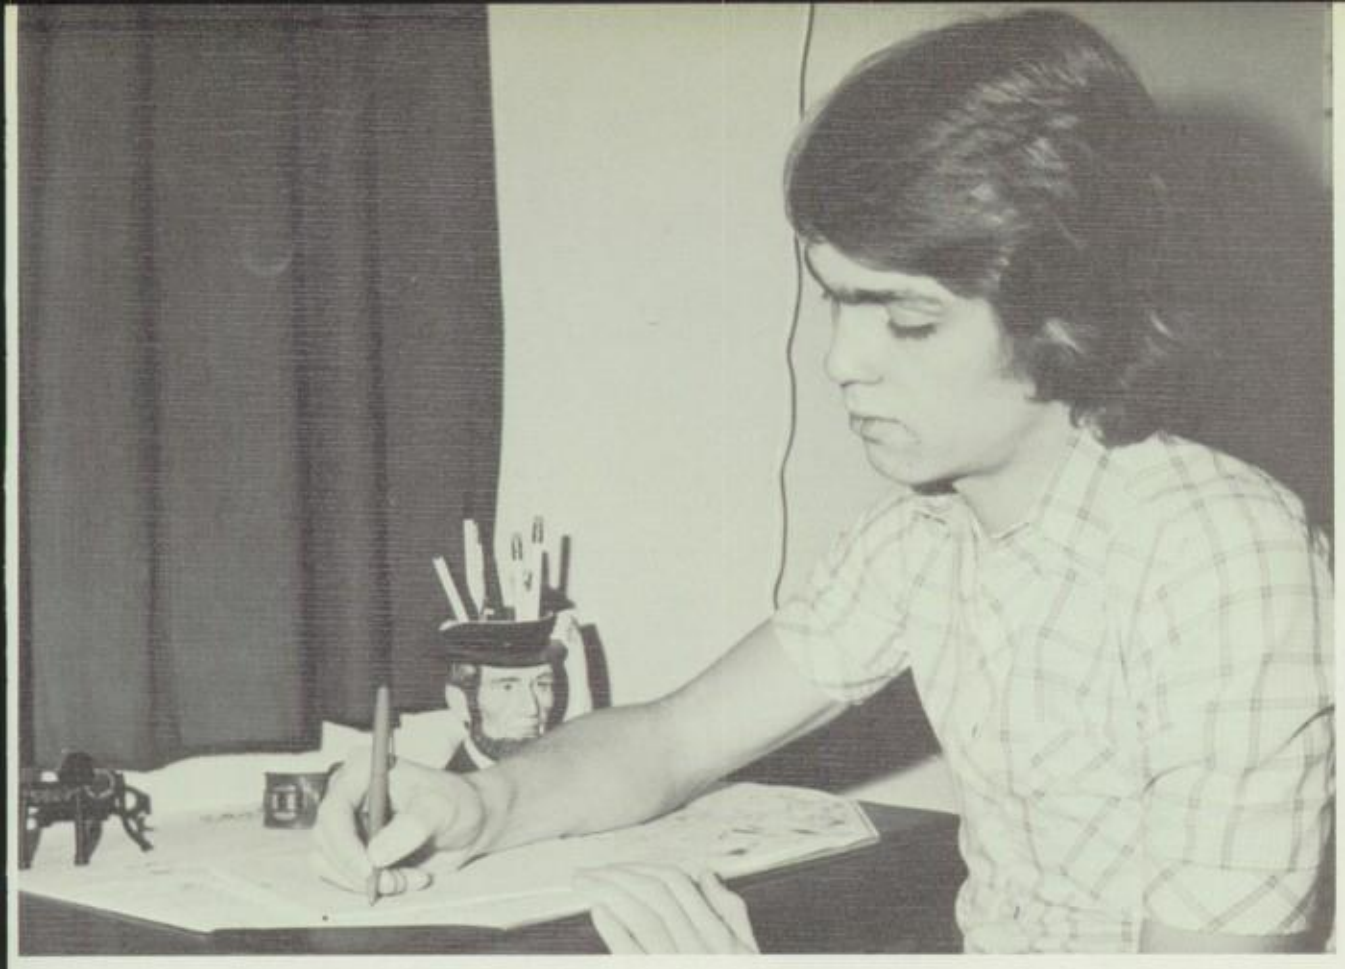
Christian Lacotte
Our Exchange Student
From Sweden

The students of Alton High are proud to have Christian Lacotte from Stockholm, Sweden, as an exchange student this year. Christian came over on the "Youth for Understanding" program, and is staying with the William Pruitt family.

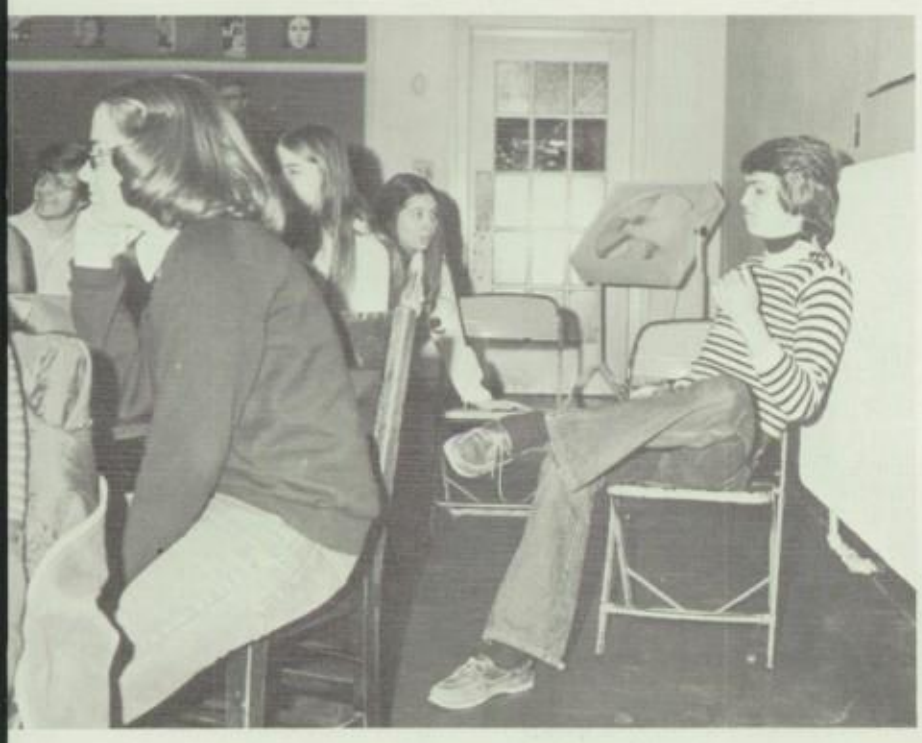
While Christian is at Alton High, he is studying Spanish II, C.P. English, International Relations, U.S. History, and Basic Auto Mechanics. Soccer and sailing are Christian's favorite sports.

Christian enjoys Alton High and has made many new friends this year.

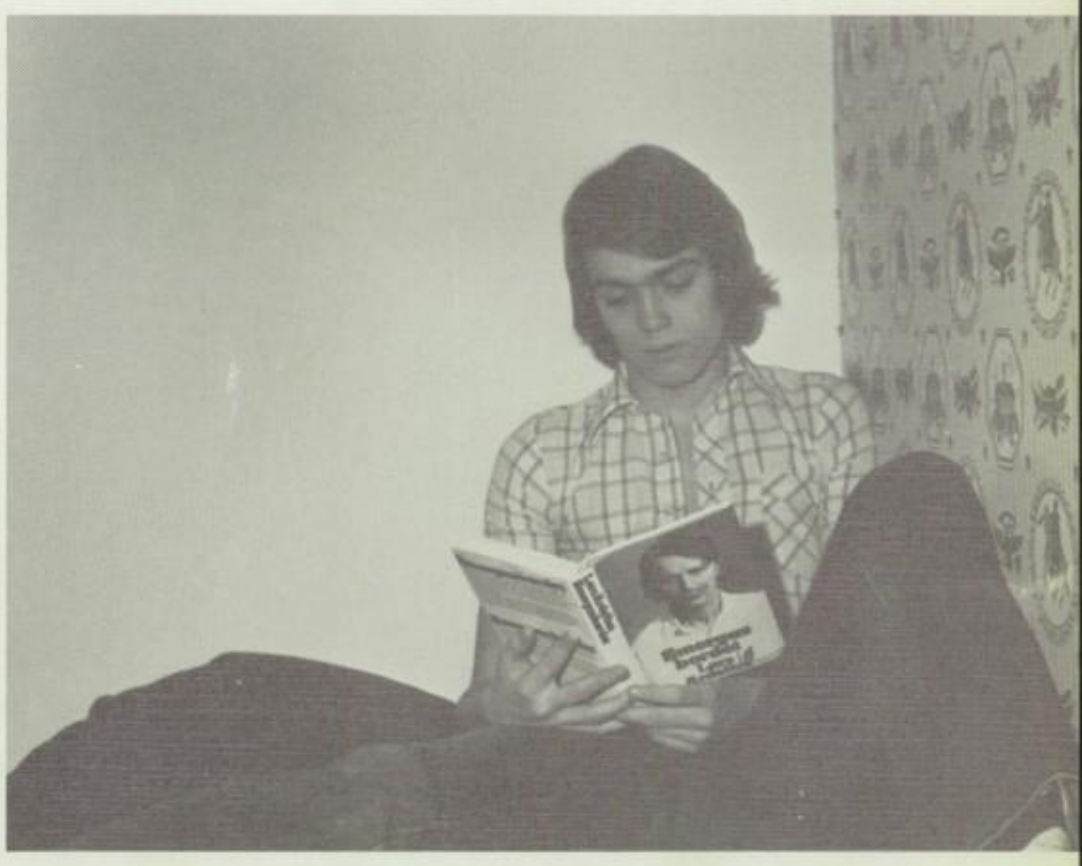
Christian and his American family.



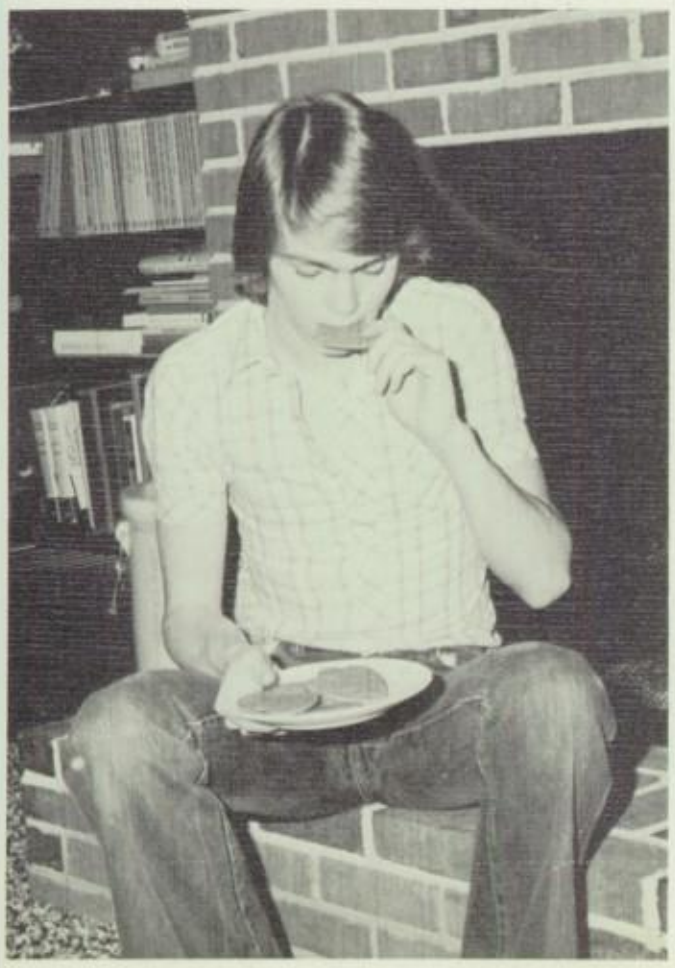
Dear Mom, I ate in the cafeteria today . . . . so if you don't see me again . . . .



The American girls? hmmmmm . . . .

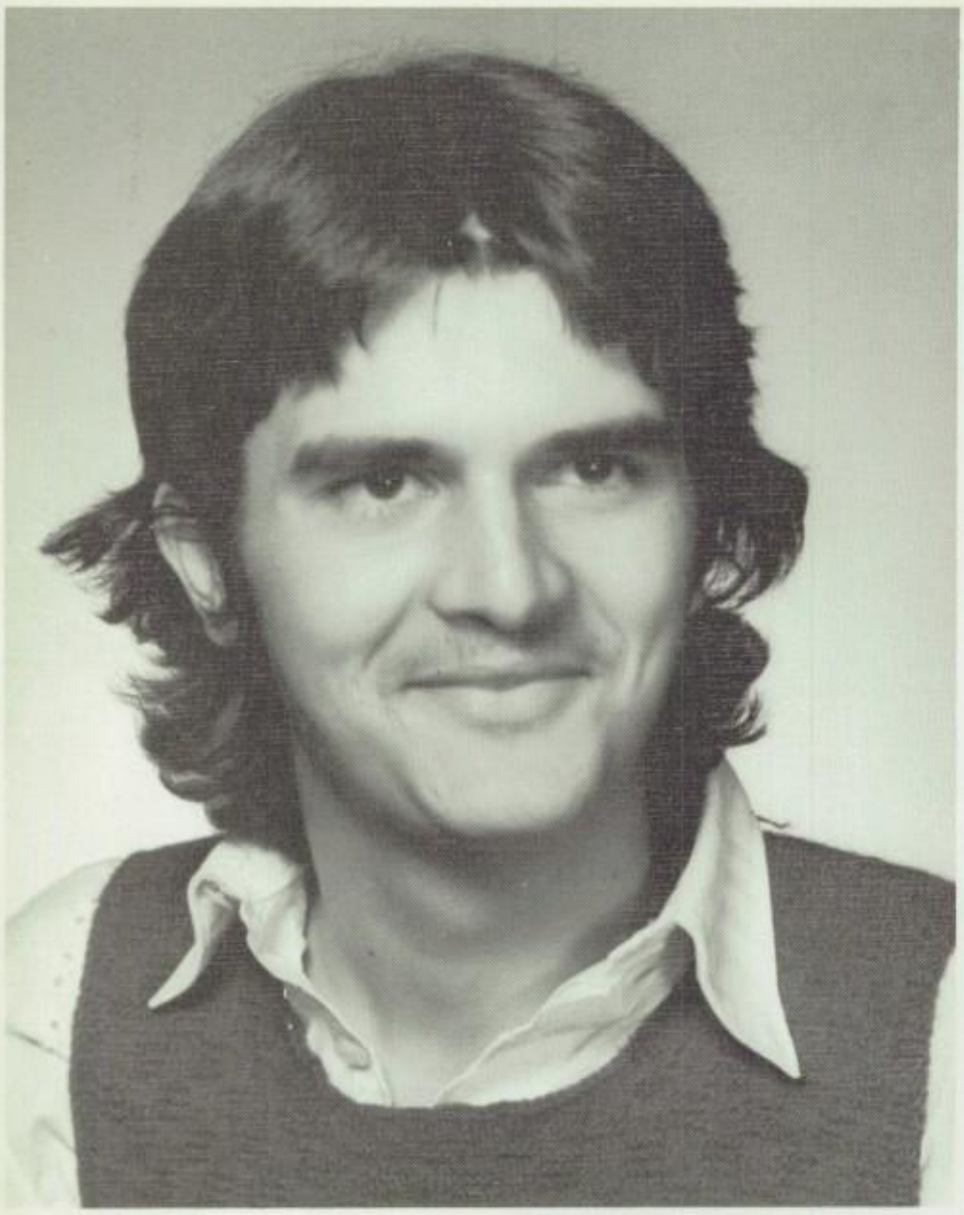


A bit of home.



Christian learns the Great American Pastime.

Christian . . . . alias "the Cookie Monster"!



Marco Oliveira
Our Exchange Student
From Brazil

This year Alton High School is happy to have Marco Oliveira from Vitória, Brazil. Marco is sponsored by the International Cultural Exchange. While in the United States, he is living with the family of Harry Montroy.

At Alton High, Marco is studying Algebra, Biology, World Literature, English, and U.S. History. His favorite subjects are Math and Biology. In his spare time, Marco enjoys playing volleyball, chess, and in the snow! He also likes peanut butter and popcorn. We hope Marco has enjoyed his stay in the United States, and will come visit us again.

Marco and his American family.

. . . . If they could see me now!

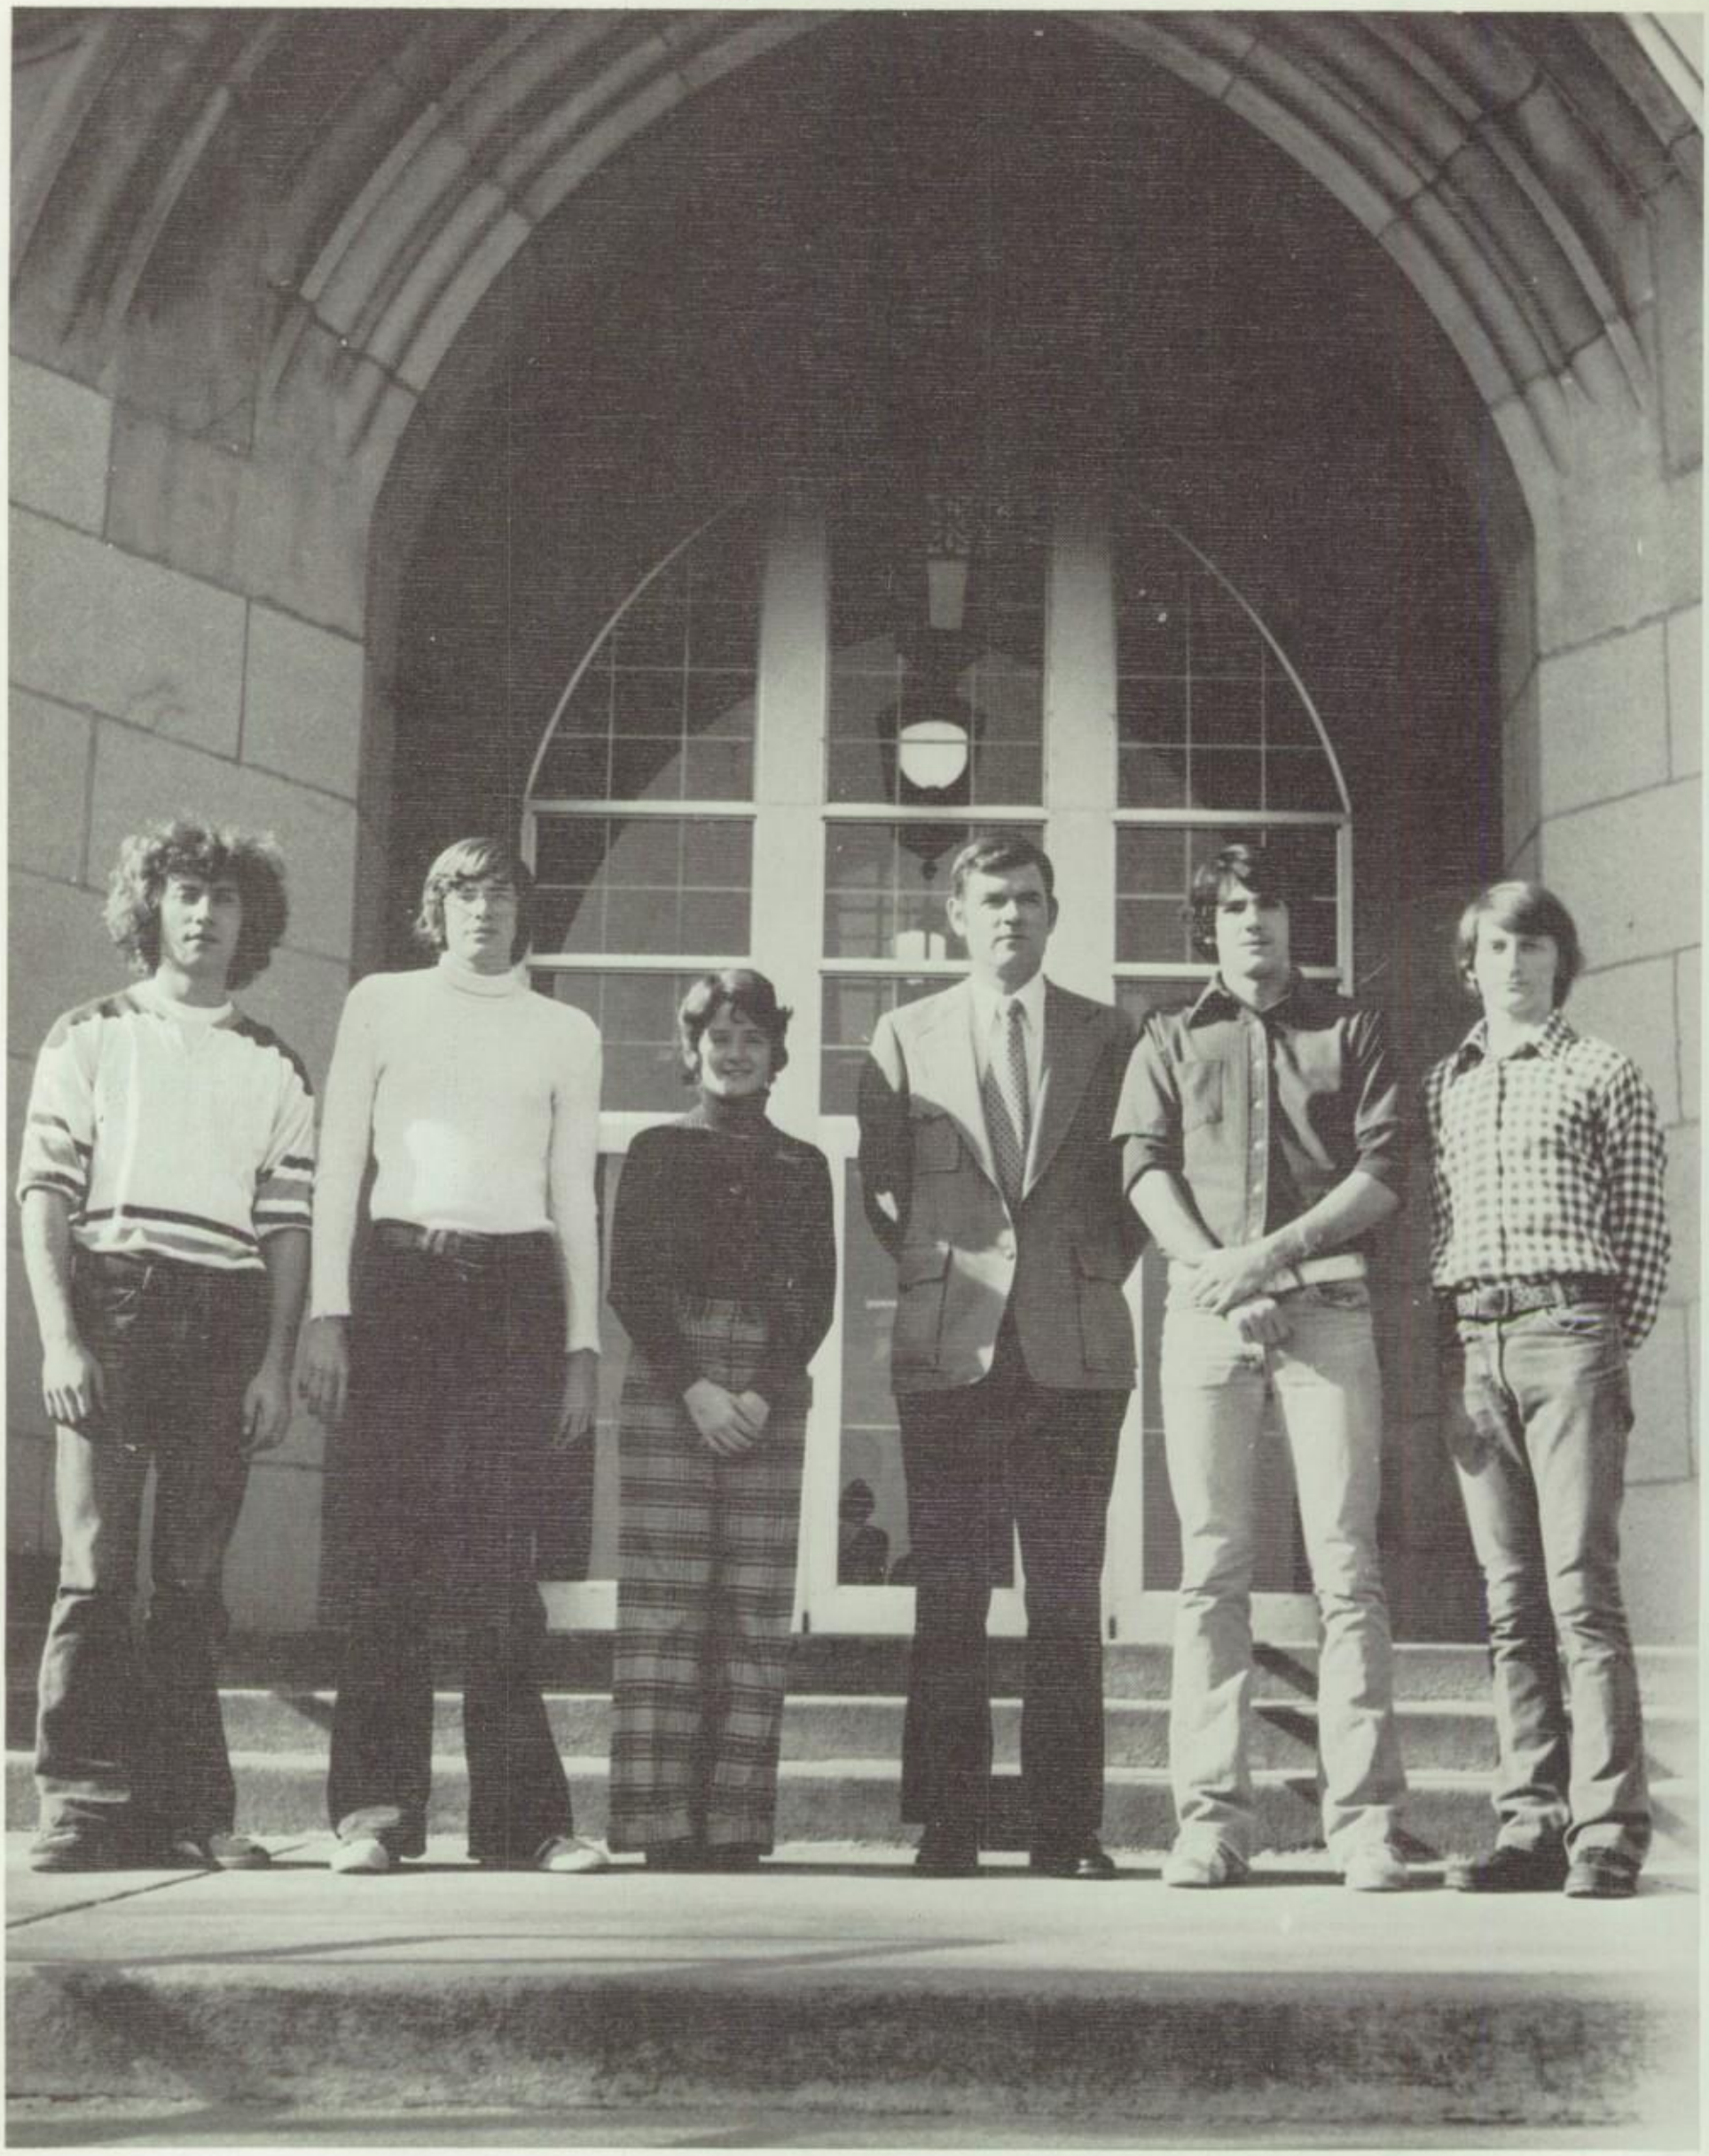
Now listen carefully, the horsie moves 2 up and one over.

Hmmm . . . . feels like 2° below.

It's more like Brazil in the fireplace!

Dear Santa, I've had enough of this *!x#@ snow!

Mr. Bonynge Congratulates Award Winners!



Robert Wegener, Kevin Todd, Kathy Kienstra, Mr. Bonynge, Randall Dick, Brian Bagby.

Terry Minor
Class President

The only word to describe Terry Minor is busy. Elected as Class President, Terry also became Student Activities President. The Activities Board has planned dances, made a calendar, and really helped school spirit.

Terry was on the Dream Girl Court and was crowned the 1975 Homecoming Queen.

Aviation At A.H.S.

I got these new binoculars, but I STILL can't hear anything.

How in the world do you change a flat tire on an airplane.

Does it get FM too?

What a peep show!

CHEERING
CHICKS

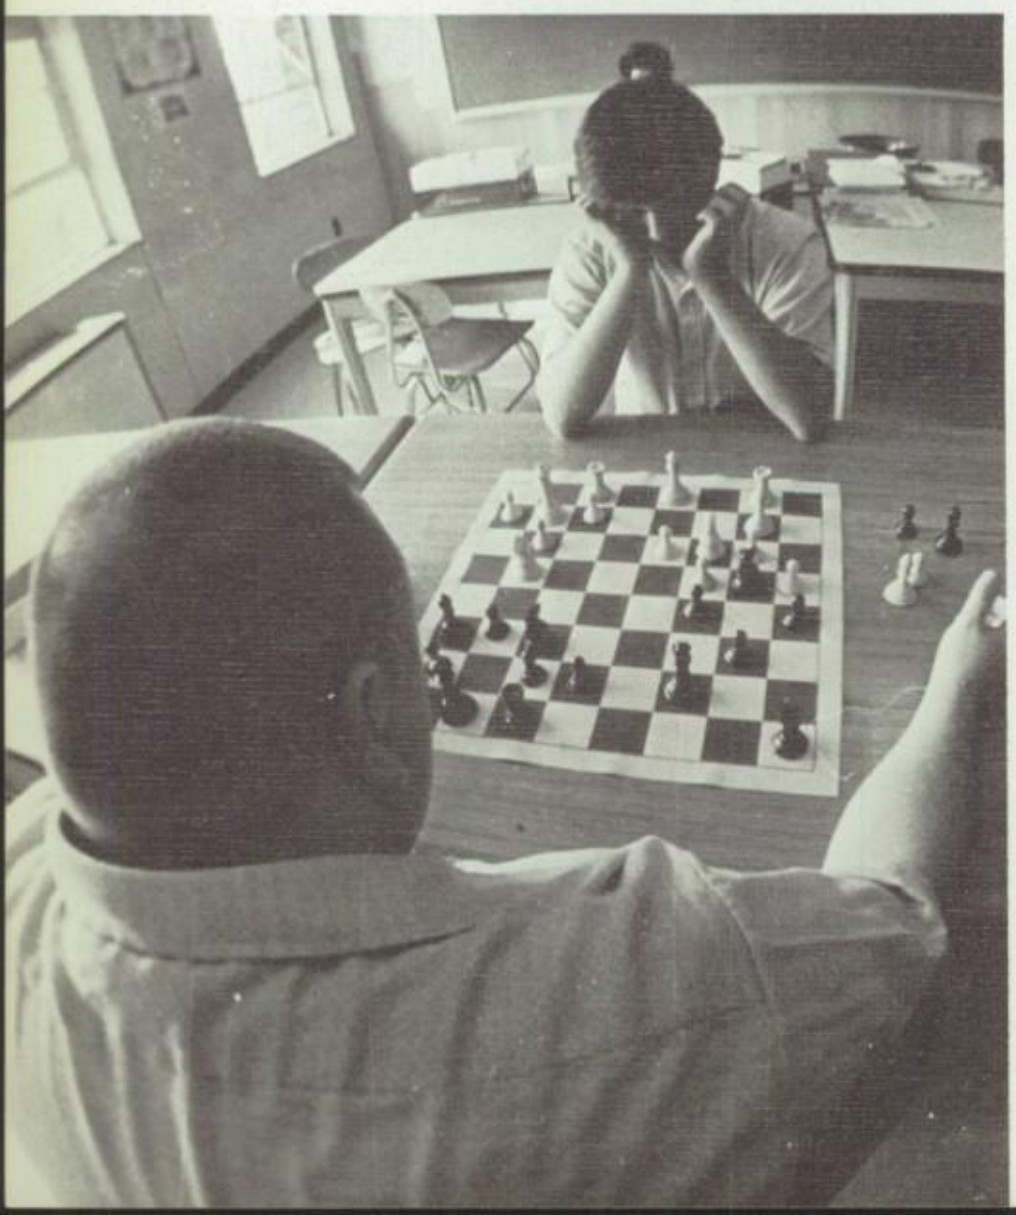
How about a little wager on the game, fella?

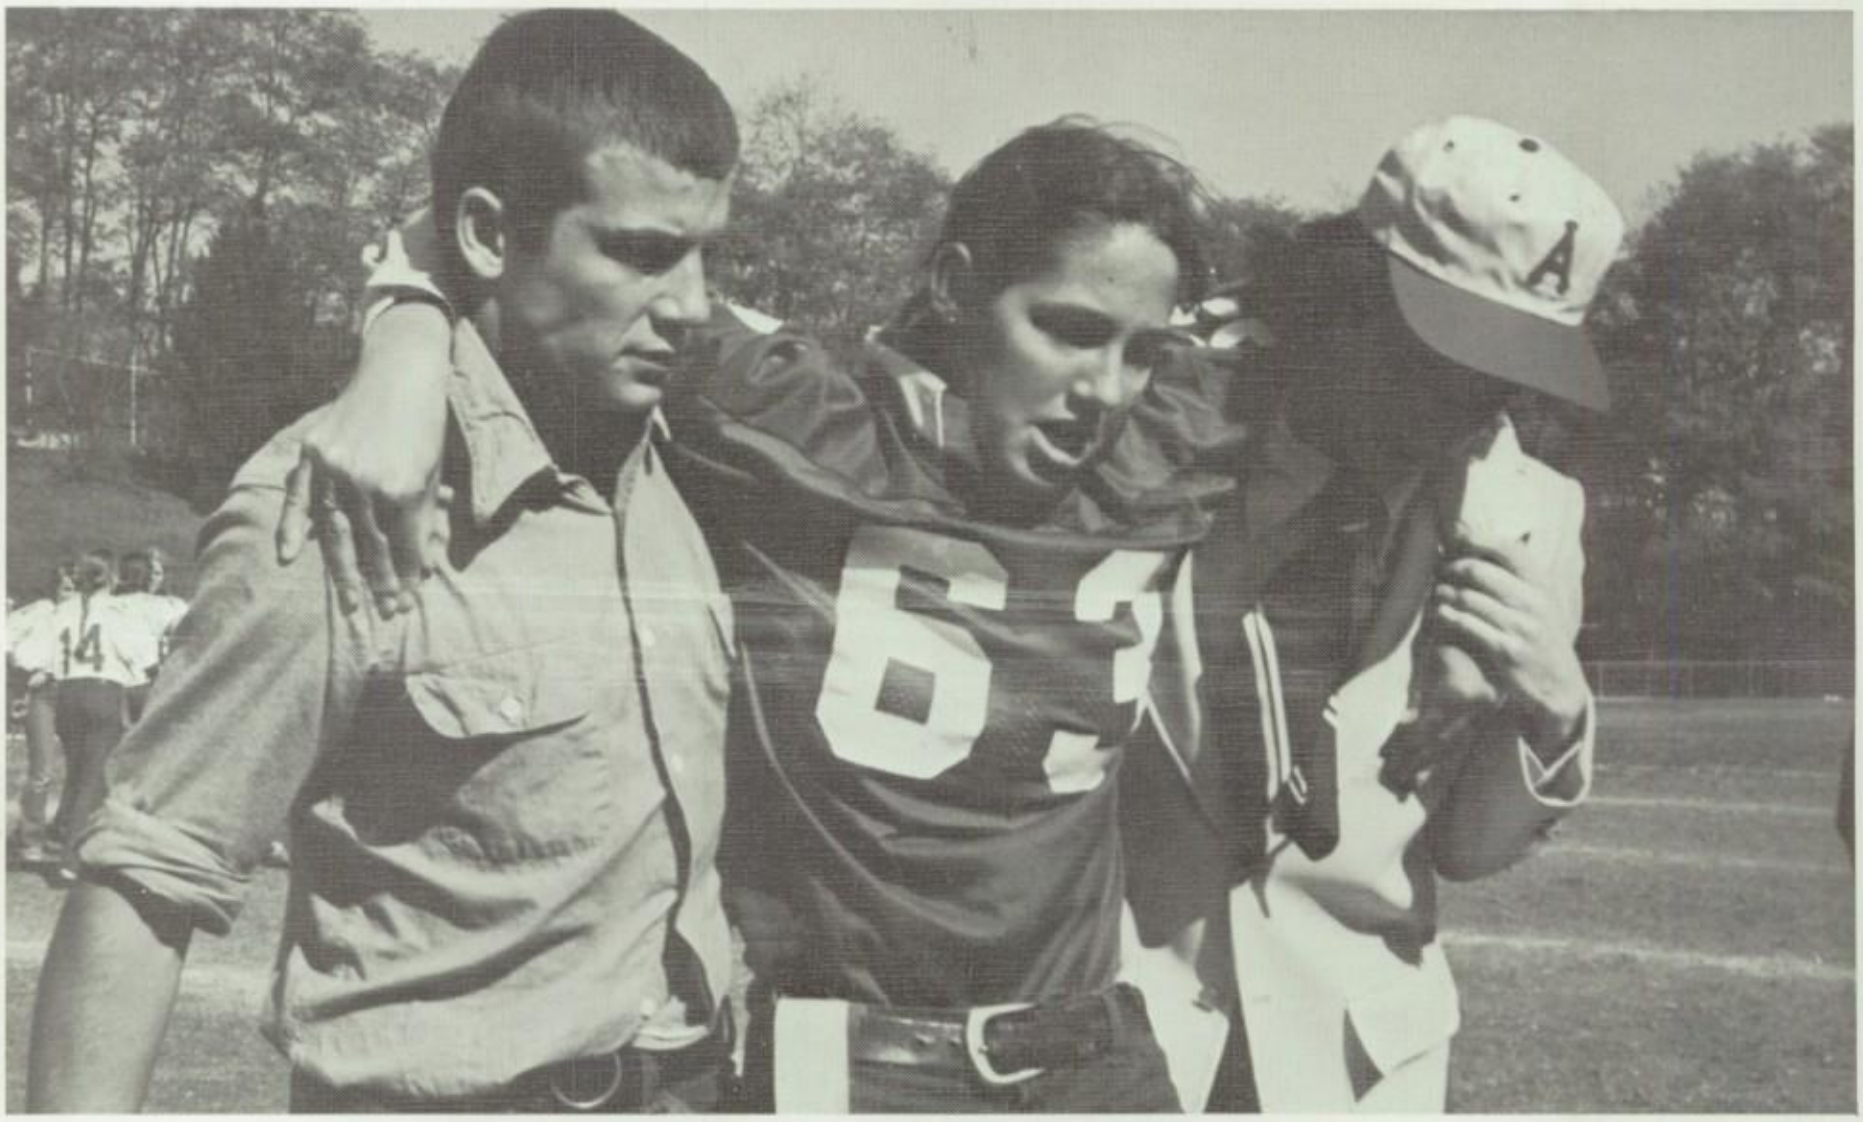


I knew I shouldn't have bet my rubber ducky!

Move your bishop one space left and then . . .

That's not what was supposed to happen according to the play book!

Bruises We Couldn't Overlook



First quarter, first play, sure was a short season.

The Story Of Oklahoma

The setting of Oklahoma is the western Indian country at the turn of the century. Curly and Laurey are in love, but are at first either aloof, hostile, or uncertain of each other's reactions. Since she is making no apparent headway with Curly, Laurey responds to the advances of Jud Fry, accepting an invitation for a "box-party." There, by outbidding Jud for Laurey's lunch basket which entitles him to share it with her, Curly openly demonstrates his true feeling for the girl. The love affair now unfolds quickly. At their wedding Jud appears a drunk and sinister figure. He attacks Curly with a knife and in the ensuing brawl falls on his own blade and is killed. Rather than take Curly to prison on his wedding night, Judge Carnes arranges a trial then and there, in which Curly is found innocent. Curly and Laurey can now go off for their honeymoon in a land soon to be known as Oklahoma.

Another love triangle introduces comedy into these otherwise grim developments. This love interest involves Ado Annie, a girl who can't say "No", an Oriental peddler, Ali Hakim and Will Parker. Ado's father, Judge Carnes, will not allow her to marry Will Parker until he can raise the seemingly unattainable sum of fifty dollars in cash. Ali Hakim also pursues her. When he discovers that his highly dishonorable intentions are mistaken by the Judge as a marriage proposal to Ado, he is able to elude the disagreeable prospect of marriage by seeing to it that Will gets the fifty dollars.

Junior Prom "Saturday In The Park"

Magic and imagination were used to transform the cafeteria into the theme "Saturday in the Park." Park benches, flowers, lamp-posts, and a gazebo set the atmosphere, while murals of park scenes decorated the walls.

Master of ceremonies, Tim Aulabaugh, announced the Dream Girl and her court: Miss Cheri Clark was escorted by Jerry Thacker, Miss Lois Clark was escorted by Chauncy Havis, Miss Sue Hutchinson was escorted by John Read, Miss Beth Keeney was escorted by Gary Bennington, Miss Marsha Meyer was escorted by Mark Tyler, Miss Terry Minor was escorted by David Beile, Miss Vicki Schneeberg was escorted by Lee Maher, and Miss Jani Roberts was escorted by Bob Meyers. Our Dream Girl, Jody Schulmeister, was escorted by Matt Emons and was crowned in the lobby of Alton Memorial Hospital by the retiring Dream Girl, Pam Harris.

Twenty lettermen came back looking very optimistically and anxious toward the coming season. Of the twenty, seven were defensive starters and the entire offensive line returned.

Indiana power, Terre Haute Vigo South, came to Alton for the season opener. The "Redbirds" scored first with a 6 yard touchdown by Mark Mottaz. He also kicked the extra-point for a 7-0 lead. Terre Haute came back to tie it up in the second quarter. On the following kickoff, Ron Meyers dashed 78 yards for a touchdown, but a penalty nullified the play. There was no more scoring the rest of the way, until the last play of the game. Terre Haute kicked a 26 yard field goal to win a dramatic 10-7 victory.

The following Saturday, a very tough Quincy team came to Alton. Behind 7-0 the "Redbirds" came out and put up six points on a 8 yard pass by quarterback Jim Roberts to Randy Dick. The snap for the extra point was bobbled, therefore leaving the "Redbirds" trailing 7-6. The "Redbirds", very determined to pull it out, were stopped by an interception late in the game, killing any chances of victory. Defensive end, Joel Dick, and linebacker, Mark Mormino, played superbly on defense. Both made numerous tackles throughout the game.

Traveling to Cahokia proved to be quite enjoyable for the "Redbirds". The offense exploded for 40 points while the defense recorded a shutout in collecting seven fumbles and three interceptions. It was a team effort. The defense set up five of the six touchdowns. Defensive tackles Tony Walker and Rodney Gillson each played a great game. Both recovered two fumbles. Jim Roberts passed for three touchdowns and scored one himself.

The highly potent Edwardsville offense, averaging 36.6 points per game, came to Alton to test the selfish "Redbird" defense which had only allowed 17 points in the first three games. Edwardsville jumped out in front with a 14 point first quarter. But the "Redbirds" came back with 14 points in the second quarter on a 50 yard run by Lindsay Jungers and a 3 yard sneak by Roberts, Edwardsville scored six more points just before the half to lead 20-14. The "Redbirds", very confident of opening up the game in the second half with their passing attack, were grounded. A tremendous rain storm kept either team from doing much. Edwardsville added safety to their score to win 22-14.

Collinsville was not very hospitable as they shutout the "Redbirds" offense and took advantage of a few mistakes to win 14-0. The defense played their usual strong game but the poor field position the offense gave them limited their effectiveness.

Homecoming was next and the Belleville East Lancers were to be the "Redbirds" foes. Belleville got on the scoreboard first after stopping an impressive "Redbird" drive. With four minutes left in the half, Rodney Gillson batted a pass into the air which fell into the hands of Mark Mormino. Mormino raced 67 yards untouched for the score. Roberts added the two point conversion for a 8-7 lead. But Belleville took the kickoff and in just ten plays scored again to lead at the half, 14-8. The second half was a struggle between both teams. But the "Lancers" put the game on ice with a fourth quarter touchdown to give them the win, 20-8.

The "Warriors" of Granite City South were next in line. It was homecoming for the "Warriors" so they were fired up for their home crowd. They jumped out in front, 7-0, in the first minutes of the game. Later in the quarter, Mark Mottaz, behind a super charged offensive tackle, John Gillespie, went 31 yards to tie the game, 7-7. Gillespie threw three blocks on the TD run. The game became a battle between the defensive and special teams. Tim Martin, playing a great game, kept the "Warriors" in their own territory with booming punts all night. With five minutes left in the game, Granite City scored on a 26 yard pass. The defense, still giving an all out effort, blocked the extra-point. The offense took the ball right down the field on the right arm of Jim Roberts. With a little less than two minutes left, Roberts connected with Randy Dick for a 12 yard touchdown to tie the game, 13-13. Mark Mottaz then kicked the extra-point which proved to be the winning point, 14-13. Coach Norm Iman praised the super protection the offensive line gave quarterback Roberts when he took to the air. The offensive line consists of: Chris Sutton, Pete Schweitzer, Dan Springman, Steve Trappy, and John Gillespie.

The "Flyers" of East St. Louis, undefeated and perennial Southwestern Conference Champs, came to town and went back home with a 34-0 win. The "Flyers" simply out played the "Redbirds" in every aspect of the game. They are probably one of the best high school teams to play in Illinois history.

The final quarter of the final game against Belleville West was the most exciting. Losing 34-0, with eleven minutes left in the game, Roberts threw to Mottaz over the middle. Mottaz then squibbed the kickoff. Jim Gaspard recovered it giving the ball to the "Redbirds". On the first play after the recovery, Roberts hit Mottaz again over the middle. Again Mottaz turned up the sideline for a touchdown—this time 50 yds. The ball exchanged hands a few times, then after a Belleville punt, Roberts connected two passes with Randy Dick. Roberts snuck over the goal line from four yards out. He then added the two-point conversion to make the score 34-20. With only five minutes left, Belleville regained its composure to score two more touchdowns to keep the game. The final score was 47-20.

Fianl statistics show that quarterback Jim Roberts completed 80 passes for 1,089 yards which included 8 touchdown passes. Randy Dick was the leading receiver with 35 receptions for 504 yards. Leading ground gainer was Mark Mottaz with 341 yards. Defensively, Jeff Cairns had five interceptions for the year. Jerry Cates had four. Tony Walker recovered four fumbles. Also, Tony Walker and Mark Mormino were the leading tacklers.

Although the "Redbirds" only had a season record of 2-7 and a conference record of 2-5, the "Redbirds" were "in every game" with the exception of the East St. Louis game.

Head Coach, Norm Iman and his staff should be congratulated for keeping the spirit and moral of the team up during a frustrating season. Although Coach Iman's team did not have a winning record, he taught them a lot more than just how to play football.

Assistant varsity coaches were Mr. Jack Martin, Mr. Reno Calcari, and Mr. Gary Labertew. Sophomore coaches were Mr. Felix Macias, Mr. Collis James, and Mr. Jim Arico.

Through the first week of '75 the "Redbirds" showed promise as a top contender in the Southwestern Conference, as well as for the state title at the end of the regular season. Their record at that time was 6-2 overall and 3-0 in conference play. The three victories in the conference included Granite City South 87-43, Edwardsville 85-82, and Belleville West 87-70. The other games were Belleville Altoff 72-54, Quincy 67-74, and Quincy CB 91-59. They also played two games in the Carbondale Holiday Tournament, which were Herrin 84-59 and Normal 63-74.

The '74-'75 season was the second year for Coach McPherson as head coach. His first team ended 19-8 and at one time were ruled number two in the state. Also, his first year team captured the Carbondale Holiday Tournament; the first time an Alton basketball team had done this. Coming back from that team were starters Justin Scheiter and Maurice Williams. Super-subs Kenny Ramsey, Mike Robinson, Mark Tyler, Tony Walker also returned. A group of talented juniors up from a very fine sophomore team added to the punch of the '74-'75 "Redbirds." They included LeRoy Stampley, Gary Jeffries, Robert Hightower, Bill Lyons, Mike Killion, Charles Love, and Dale Schroeder. Andy Hightower and Brad Scheiter, a couple of very talented sophomores, rounded out the fifteen-man team.

The TATLER Staff wishes Coach McPherson, Coach McAfoos, and Coach Baiter continuing success in their quest of basketball championships.

Another great year was turned in by our cross country team. The "Redbirds" captured all dual meets (6) except one, and ran away with victories in the Edwardsville and Belleville West Invitationals. The "Redbirds" placed a 2nd and 3rd. AHS finished a highly respectable 7th place. Mike Sawyer placed 6th individually out of more than 300 runners. Edwardsville nipped the "Redbirds" for first in the Southwestern Conference Meet. It was the first time Alton did not take first in the last five years.

Alton held the District Meet this year, and the "Redbirds" came away with first place. Casey Reinking lead the field while Mike Sawyer placed 3rd, Bob Eppel 4th.

Alton then advanced to the Sectional at Jacksonville. Again, Alton came away with first place. Mike Sawyer took first this time, but Casey Reinking finished right behind him. Bob Eppel placed 5th.

Winning the Sectional qualified the "Redbirds" for the state meet in Peoria. Mike Sawyer, Casey Reinking, Bob Eppel, Doug White, Randy Adler, Brad Wigger, Mike Kinder, Dave Lambie, and Dennis Sharp all competed. AHS placed 10th this year Mike Sawyer placed 10th individually at Peoria.

The best times for running the distance this year was Mike Sawyer, 14 min. 35 sec.; Casey Reinking, 14 min. 36 sec.; Bob Eppel, 14 min. 51 sec.; Doug White, 15 min. 26 sec.; and Randy Adler, 15 min. 28 sec.

Congratulations to coaches Jim Wigger and Bill Diddlebock for another great year!

Soccer became an interscholastic sport at AHS this fall. Soccer had been previously noted as a club.

The first year of competition proved to be quite profitable for the "Redbirds". An upset victory over an area power, Granite City North, (2-1) late in the season, plus a more than respectable first year won-lost record of 5-9-1, helped Alton gain the respect from other schools as a potential soccer power.

The "Redbirds" improved steadily throughout the season. The upset victory over Granite City North and a near upset over highly touted Quincy (2-1) in the sub-sectional at Jacksonville showed the steady improvement of the "Redbirds".

Terry Gentelin was the leading goal scorer with six goals. He was followed by David Kayser with four. David Kayser led with five assists. In goalie stats Randy Fox recorded two shut-outs. Jack Schwarte led in goals against average—1.75 goals per game. Awards voted by the team were: Most Valuable Player - Terry Gentelin; Most Improved - Mike Godfrey; and the Co-Captains were Terry Gentelin and Randy Fox.

Congratulations to Coaches Mick Brown and Steven Marks for their leadership and success with the first AHS soccer team.

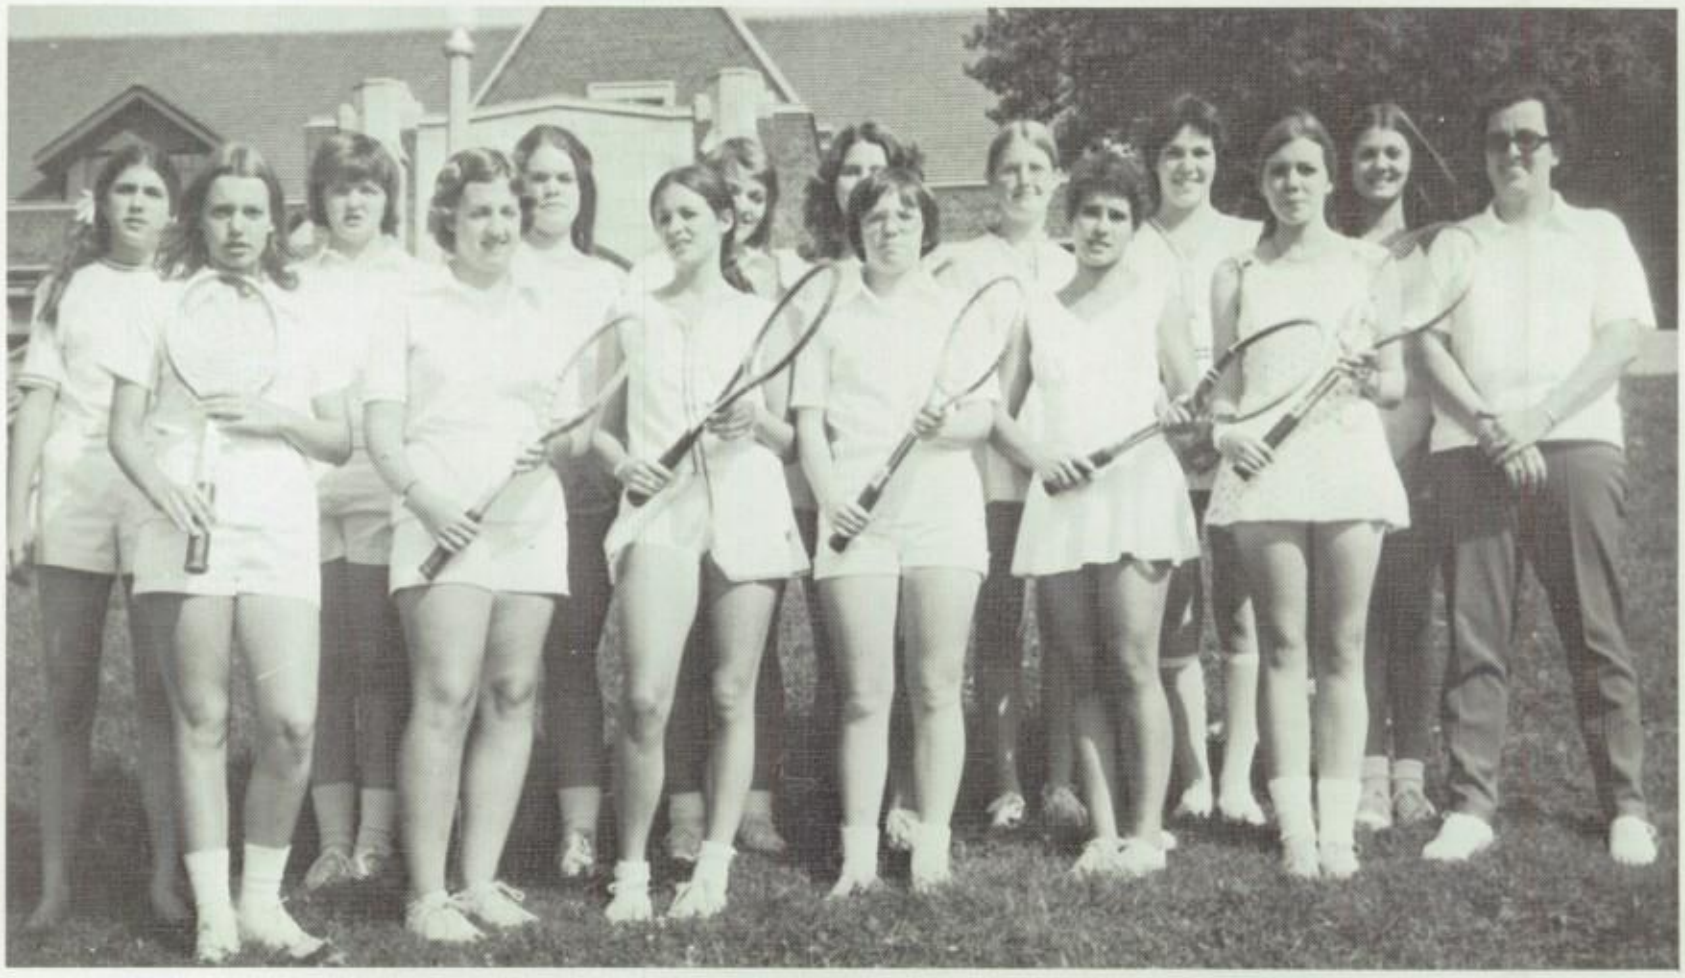
Girls' Tennis



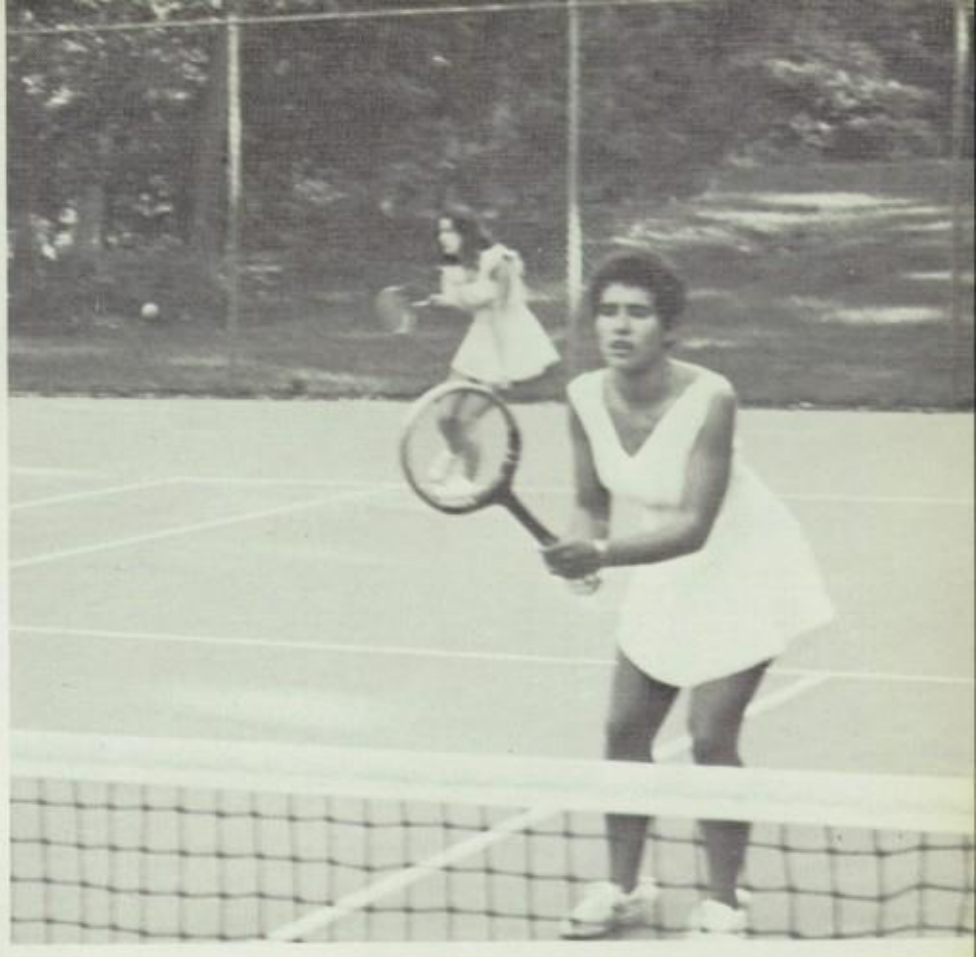
Row 1: Mary Schleper, Jane Clark, Sally Godfrey, Jean Beardsmore, Dana Powers, Cary Tegtmeyer. Row 2: Cathy Lauschke, Terri Mason, Kim Frazier, Patty Streeper, Cathy Kreid, Nancy Murray, Nancy Lacke, Rhonda Sherman, Coach Jo Ann Jackson.

Tremendous! That is how to describe the '74 AHS girls' tennis team. With four girls returning from the first year team (2-4) and very talented propects for this year, the "Redwings" posted a terrific 11-1 record. Then, the "Redwings" won the District Meet held at Alton quite handily and qualified six girls for the state tournament at Arlington Hts. They were Cathy Kreid and Jane Clark in singles competition. In doubles, the teams of Cathy Lauschke - Rhonda Sherman and Dana Powers - Terri Mason qualified.

There were a lot of reasons why this years' team was so good. The main one is probably that the "Redwings" were in much better condition than their opponents. But, also the team had many number one tennis players.

In singles, Cathy Kreid posted a 11-4 record and she won the singles at the District Tournament. Jane Clark had a 13-3 record and she was runner-up to Kreid in the District. They were backed through the year by Jean Beardsmore 10-1 and Mary Schleper 7-3. The doubles team of Cathy Lauschke - Rhonda Sherman sported a 13-2 record plus winners in the doubles competition in the District. The Dana Powers - Terri Mason doubles team was 12-3 and were second to Lauschke - Sherman. Kim Frazier - Patty Streeper had 9-2 record while the doubles teams of Sally Godfrey - Nancy Murray and Nancy Lacke - Cary Tegtmeyer were 7-1 and 4-3.

Congratulations to Coach Jo Ann Jackson for leading the "Redwings" to a marvelous season.



Spring Golf

Row 1: Mike McCune, Jeff Cairns, Doug Burke, Larry Moylan, R. J. Tolliver. Row 2: Dale Schroeder, Steve Wuellner, Greg Lilley, Coach McPherson.

The '74 Golf Team turned in another fine season with a record of 18-4. The Alton Golf Team finished second to Edwardsville in the Southwestern Conference.

In the District Tournament, led by Senior R. J. Tolliver's 4th place finish and medalist winner, Senior Greg Lilley, Alton High set a district record for a team total (301) and took 1st place in the District Tournament for the 4th consecutive year.

Seniors Doug Burke and Larry Moylan shot a 71 and 72 respectively to lead Alton to a 3rd place finish in the Sectional Tournament.

In the State Tournament, the Golf Team finished with a respectable 12th place.

This was Coach Glen McPherson's last year as Alton Golf Coach. The TATLER Staff wishes to congratulate him for the success he enjoyed as Golf Coach.

Fall Golf

The Illinois High School Association changed the golf season to the fall instead of the spring for the '74-'75 school year.

The "Redbirds" had a season record of 11 wins and 10 losses, and placed 4th in the Southwestern Conference.

In the District Tournament at Wood River, the "Redbirds" finished 2nd out of 18 teams. Perry Kanturek placed 2nd individually out of 112 golfers; he was also low medalist.

Congratulations to Coach Larry Overath for having a good first year. With talented golfers returning and the leadership of Coach Overath, Alton High will be enjoying great success in golf in the future.

Row 1: Diane Howard, Toni Fowler, Lenora Frazier, Faye Walker, Yolanda Carroll, Jerri Wilson, Tammy Ziegler, Barb Burke, Sandra Jordan. Row 2: Miss Jackson, Terri Mason, Kim Wheeler, Linda Pfeifer, Kim Lucker, Cynthia Joiner, Debbie Smith, Barb Skinner, Miss Bowling.

1974 was the first year for female competition between schools in basketball. And if that season was any indication of what will come in the future, other teams better not schedule Alton High!

In the opening game for the "Redwings" against Granite City North, senior Jerri Wilson and her running mate, sophomore Barb Burke, with excellent ballhandling, defense and leading the fast-break, led the team to a smashing 64-28 win. These two girls, plus the rebounding of senior Kim Lucker and junior Kim Wheeler, the hustle and determination of the entire team, and the spirit from the bench enabled the "Redwings" to have a fine 12-3 season. The "B" team ended 7-8.

The "Redwings" varsity team scored 708 points for 50.6 points per game, while allowing 391 points for 28.0 points per game. The "B" Team scored 462 points for 33.0 points per game, giving 443 points for 31.6 points per game. Team captain Jerri Wilson led the team with 197 points while Barb Burke was close behind with 191.

The TATLER Staff wishes to congratulate Coaches Mary Bowling and Jo Ann Jackson for their success in the first year and to wish them more success in the future!

Under new head coach, George Larsh, the '74-'75 "Redbirds" as of Jan. 8, have a 7-8 won-lost record. But their record does tell the whole story. The "Redbird" wrestling team has improved tremendously this year as compared to past teams.With the new found enthusiasm of the wrestlers, Alton should have a powerful wrestling team in the near future.

Congratulations to the new head coach, George Larsh, and his assistant, Dale Evans, on their leadership and direction of the "Redbirds" in wrestling.

The "Redbird" Tennis team of '74 was the finest to ever play on the courts. It posted a 16-3 overall record and a 12-2 conference record that tied Belleville West for the Southwestern Conference title. This was the first time any Alton tennis team has come close to winning a conference title.

The "Netbirds" then tied Granite City South in the District Meet. A state ruling requires, in case of a tie, the team with the most individual qualifiers in the tournament be declared the winner. Since Alton did not have any qualifiers, the right to go to the State Tournament went to Granite City who had one qualifier.

Alton's team was loaded with top-notch players. Senior Bob Blumfield was 11-4 in singles while juniors, Frank Millitelo and Roger Schleper, were 8-3 and 7-7 respectively. The doubles teams of Mike Stumpe - Mark Showers and Bob Orman - John Brainerd played very well with records of 12-3 and 11-2 respectively.

Congratulations to Coach Ron Miller for his leadership and direction of the finest team in Alton High School's history.

It was an off year for the "Redbirds" in track, but any school would have liked to accomplish what they did this past spring. The "Redbirds" had 21 lettermen back with a field full of prospects striving for the State Championship.

The outdoor season began with the Alton Relays. Alton placed 7th in the 31-team affair. Larry Perry took first in the long jump and 4th in the triple jump. Willie Huff took first in the high jump while Dave Beile took 2nd in the discus throw. This was when the "Birds" were just getting to their full potential as a unit. The "Redbirds" took 2nd in the Mineral Area Track Meet, 2nd in the Conference Relays to East St. Louis, and first in the County Meet in Highland. Then the "Redbirds" placed 3rd in the Orphan Relays at Centralia and 2nd to East St. Louis again in the Southwestern Conference Meet. This was the first year in the last seven that Alton did not take first place in the Conference.

Alton finished 7th in the State Meet at Charleston. Superman Larry Perry finished first in long jump with a mark of 24'5½" which is the 6th best jump in Illinois history. He also placed 2nd in the triple jump with a jump of 47'10½" which is the 2nd best mark in the history of Illinois track. Willie Huff tied for 5th in high jump.

Congratulations to Coaches Jim Wigger, Bill Diddlebock, Paul Economides, and Gary Labertew.

Baseball

With 13 lettermen returning, plus a group of talented juniors coming up, the "Redbirds" were ready for another fine year.

The "Redbirds" won 11 of their first 13 games and the Alton Invitational Tournament. The good start was due to the fireball pitching of the Big Three, Terry Green, Mark Pearson, and Jay Wohnlich, plus the hitting of the starting nine and the super-subs coming off the bench.

Continuing their winning ways, the "Redbirds" won the Southwestern Conference title with a 12-2 record. But the "Redbirds" season ended in the first-round of District play by Wood River with a 6-2 win over the "Redbirds". The "Redbirds" overall record was 20-6.

Leading the team in hitting was Bob Lyons with a .367 batting average. He was followed by Steve Johns .328; Matt Milcic .327; Ed "Butch" Chapman .324; Mark Pearson .323; Ted Poe .314; and Don Eberlin .295.

Terry Green boasted a 8-1 pitching record and an ERA of 1.73. Mark Pearson won 5, lost 3, and had a superb ERA of 0.99. Jay Wohnlich won 4 and lost 0 with an ERA of 2.14.

The TATLER Staff wishes to congratulate Coach Wayne Tyler and Larry Montgomery for another great season.

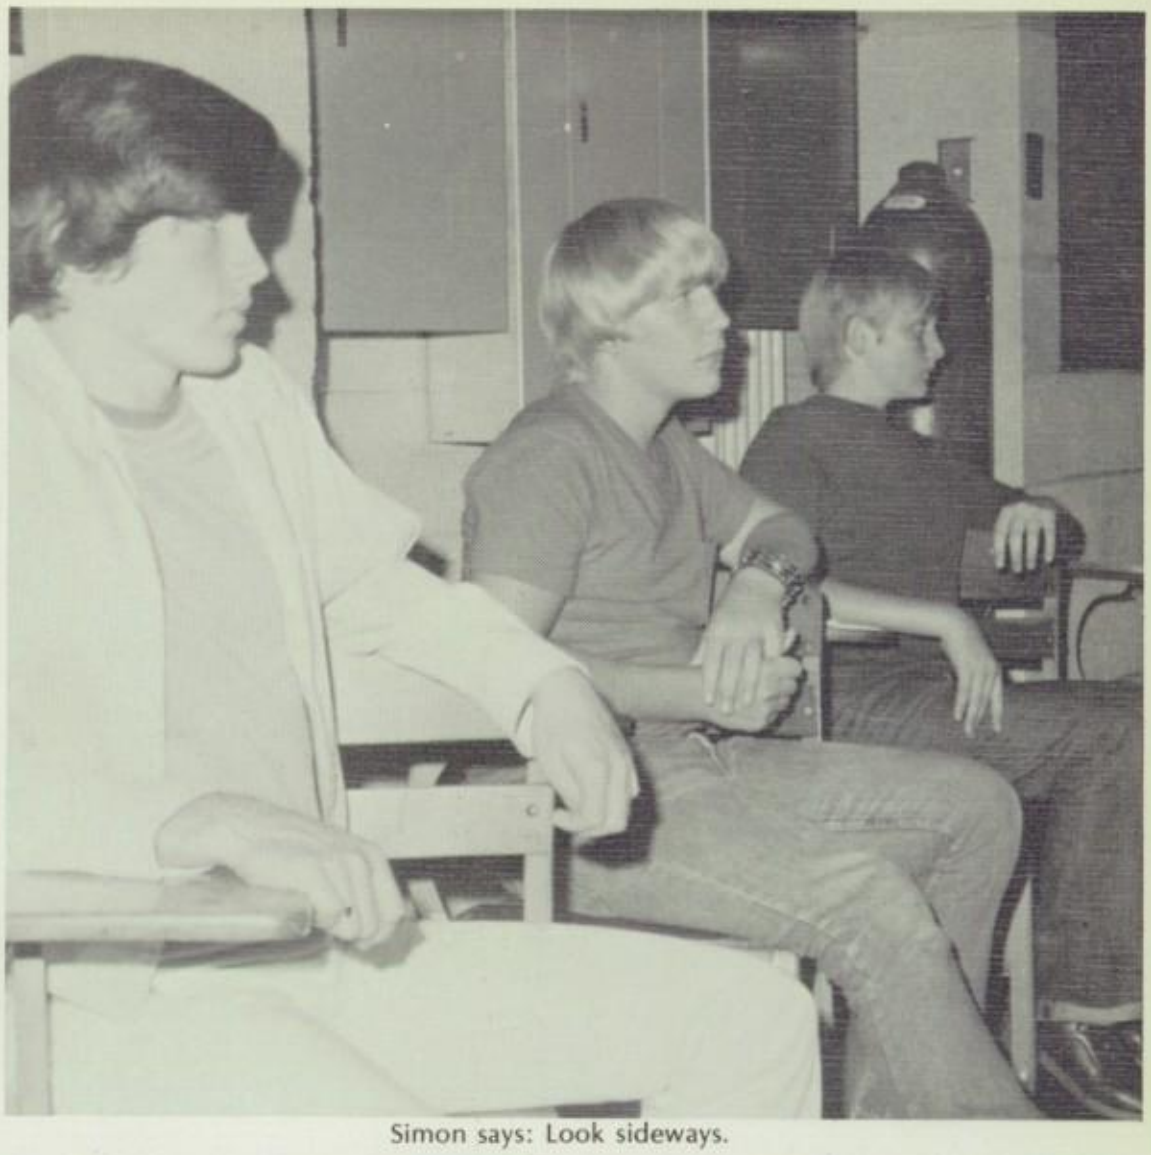
You're kidding, your pants really fell down on the last lap.

Why do I always have to wait outside in the getaway car?

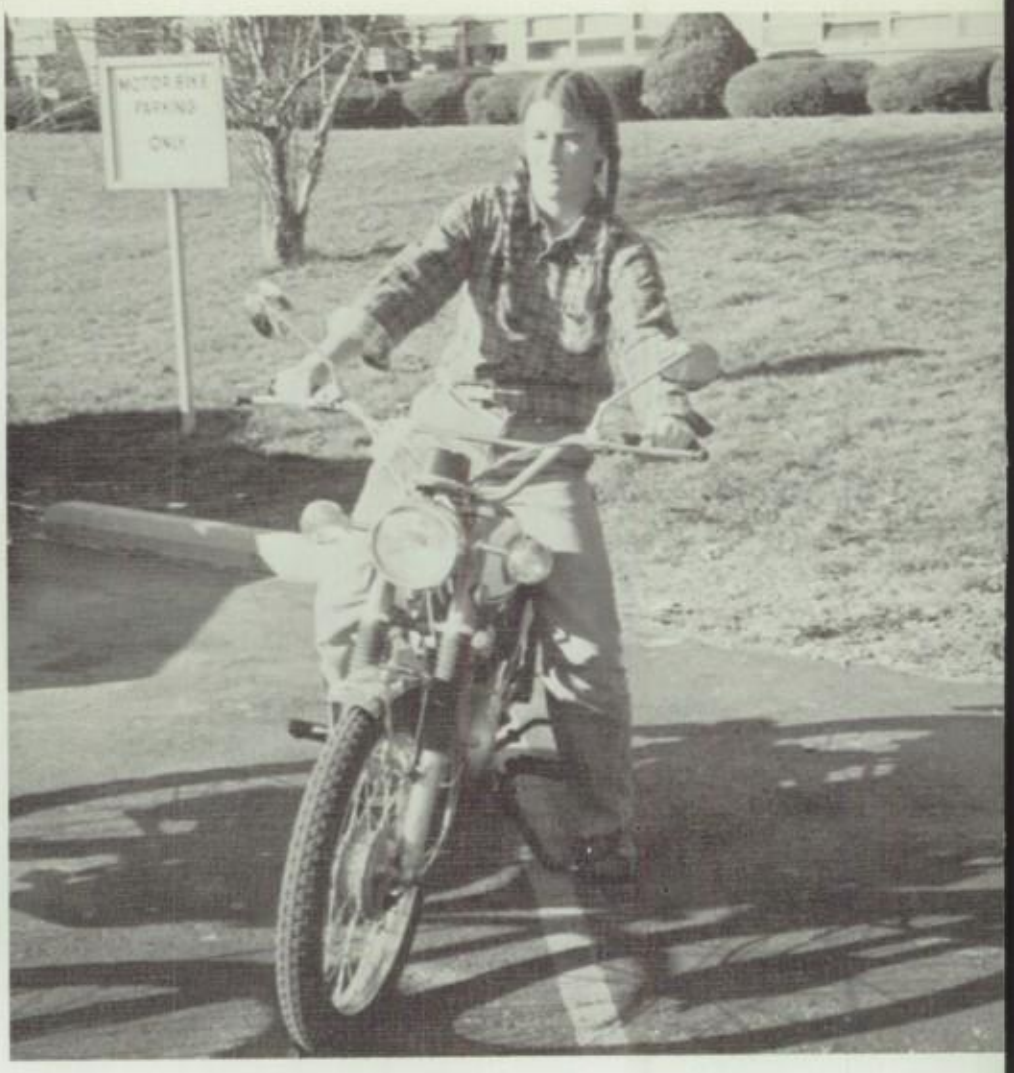
Up! Up! And away!



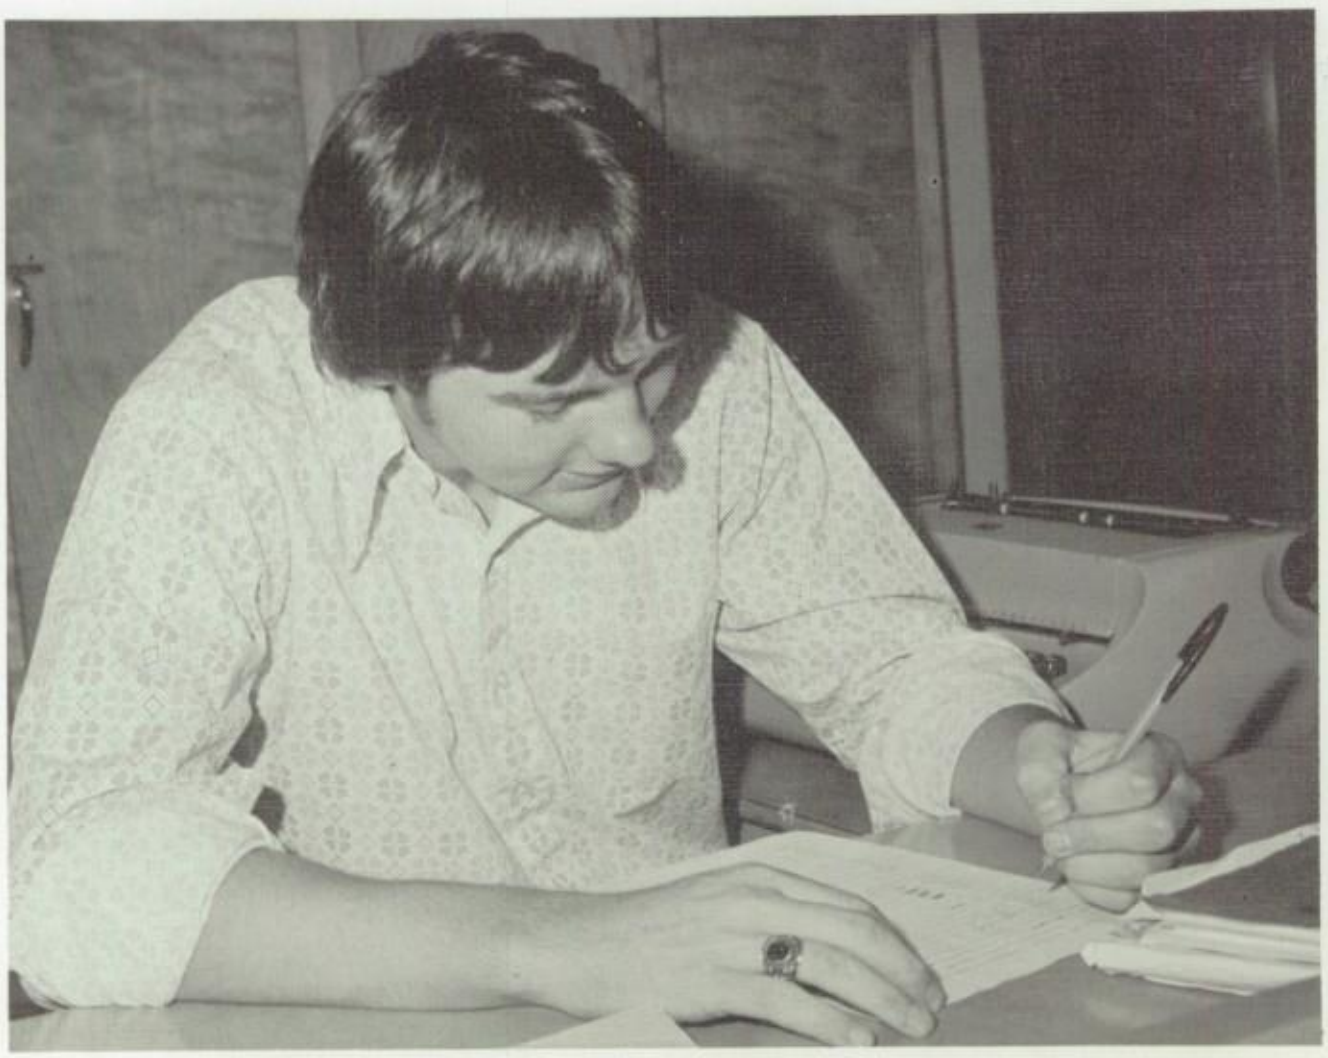
Simon says: Look sideways.

We just dun came up to tha big city.

Oh darn, I thought my mom sewed that rip.



Motorcycle mama?



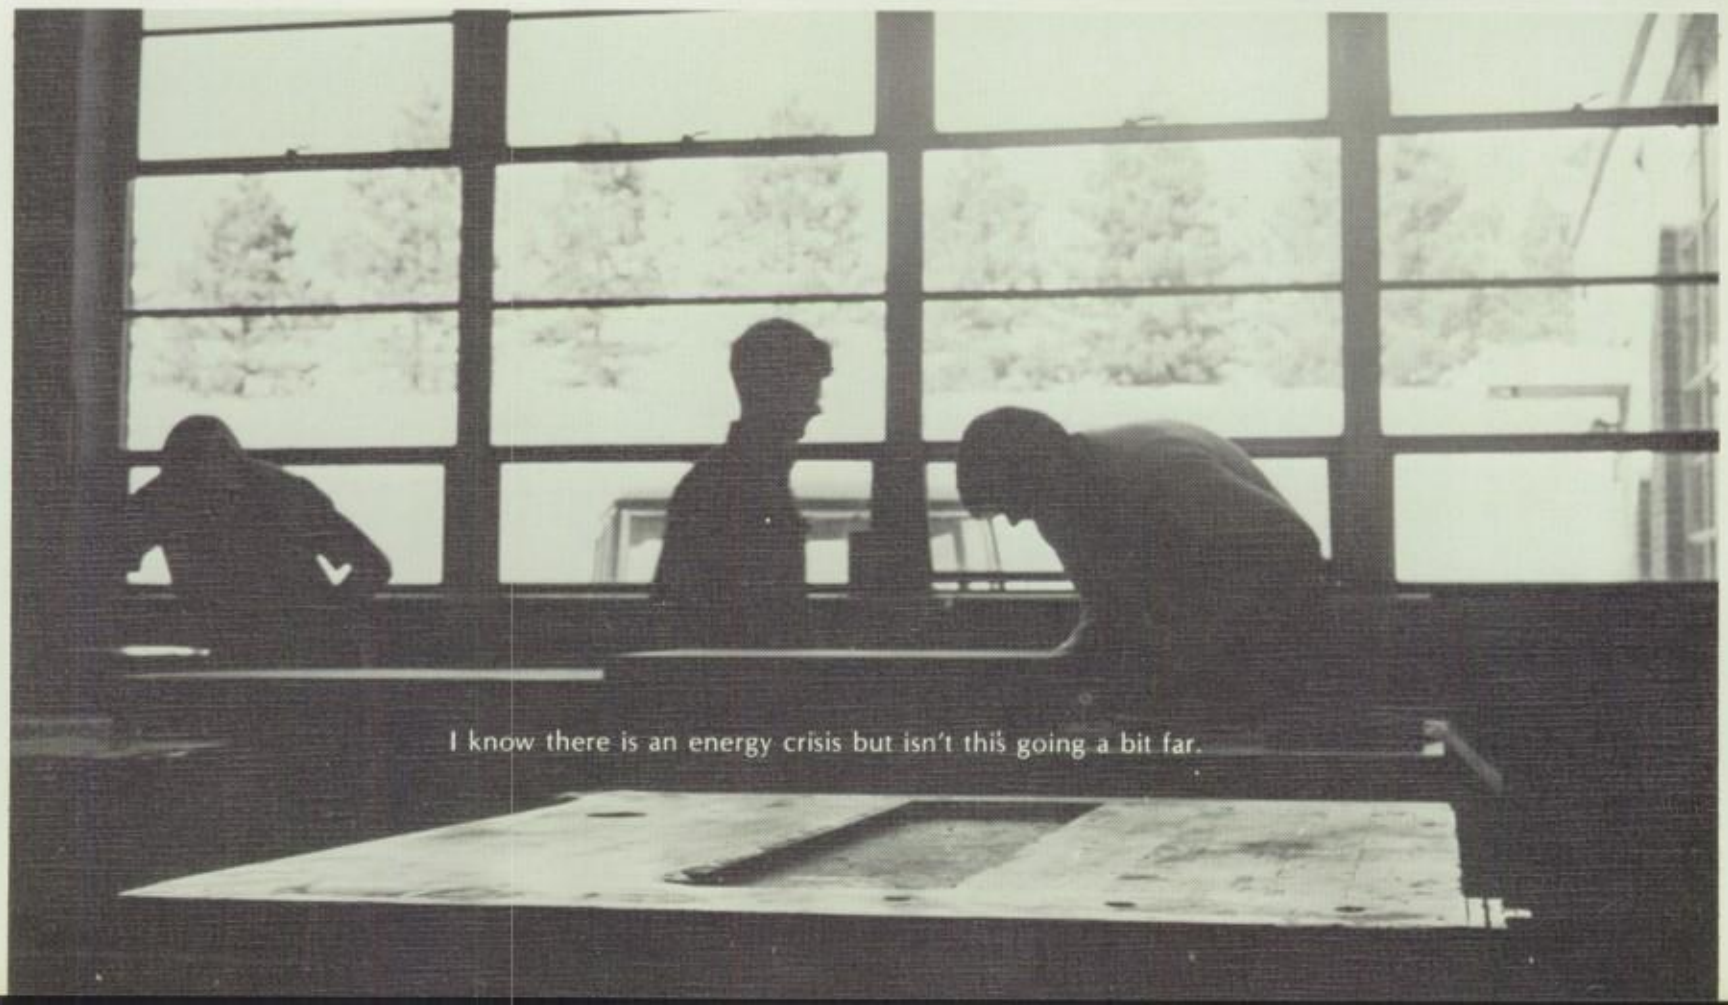
You don't close a business letter with 'love and kisses'.

Lesson 3: How to make rain.

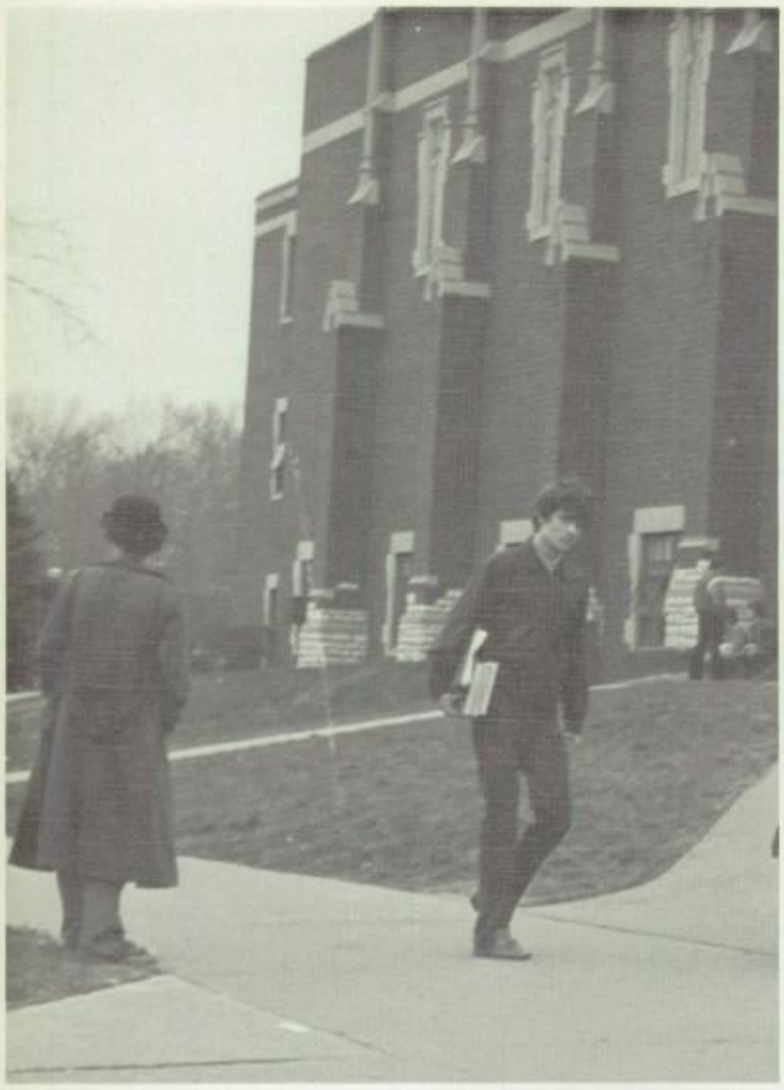
Whatsamatter, you have anything against me having peanut butter and pepsi for lunch?

Shall we dance.

My mommy will be so so Proud of me bringing home a C.



I know there is an energy crisis but isn't this going a bit far.



Is that Charlie Chaplin?

Hey big boy, you can sit by me.

What do we have here, another Mohammad?

"I wonder if she knows she just sat on my bubble gum."

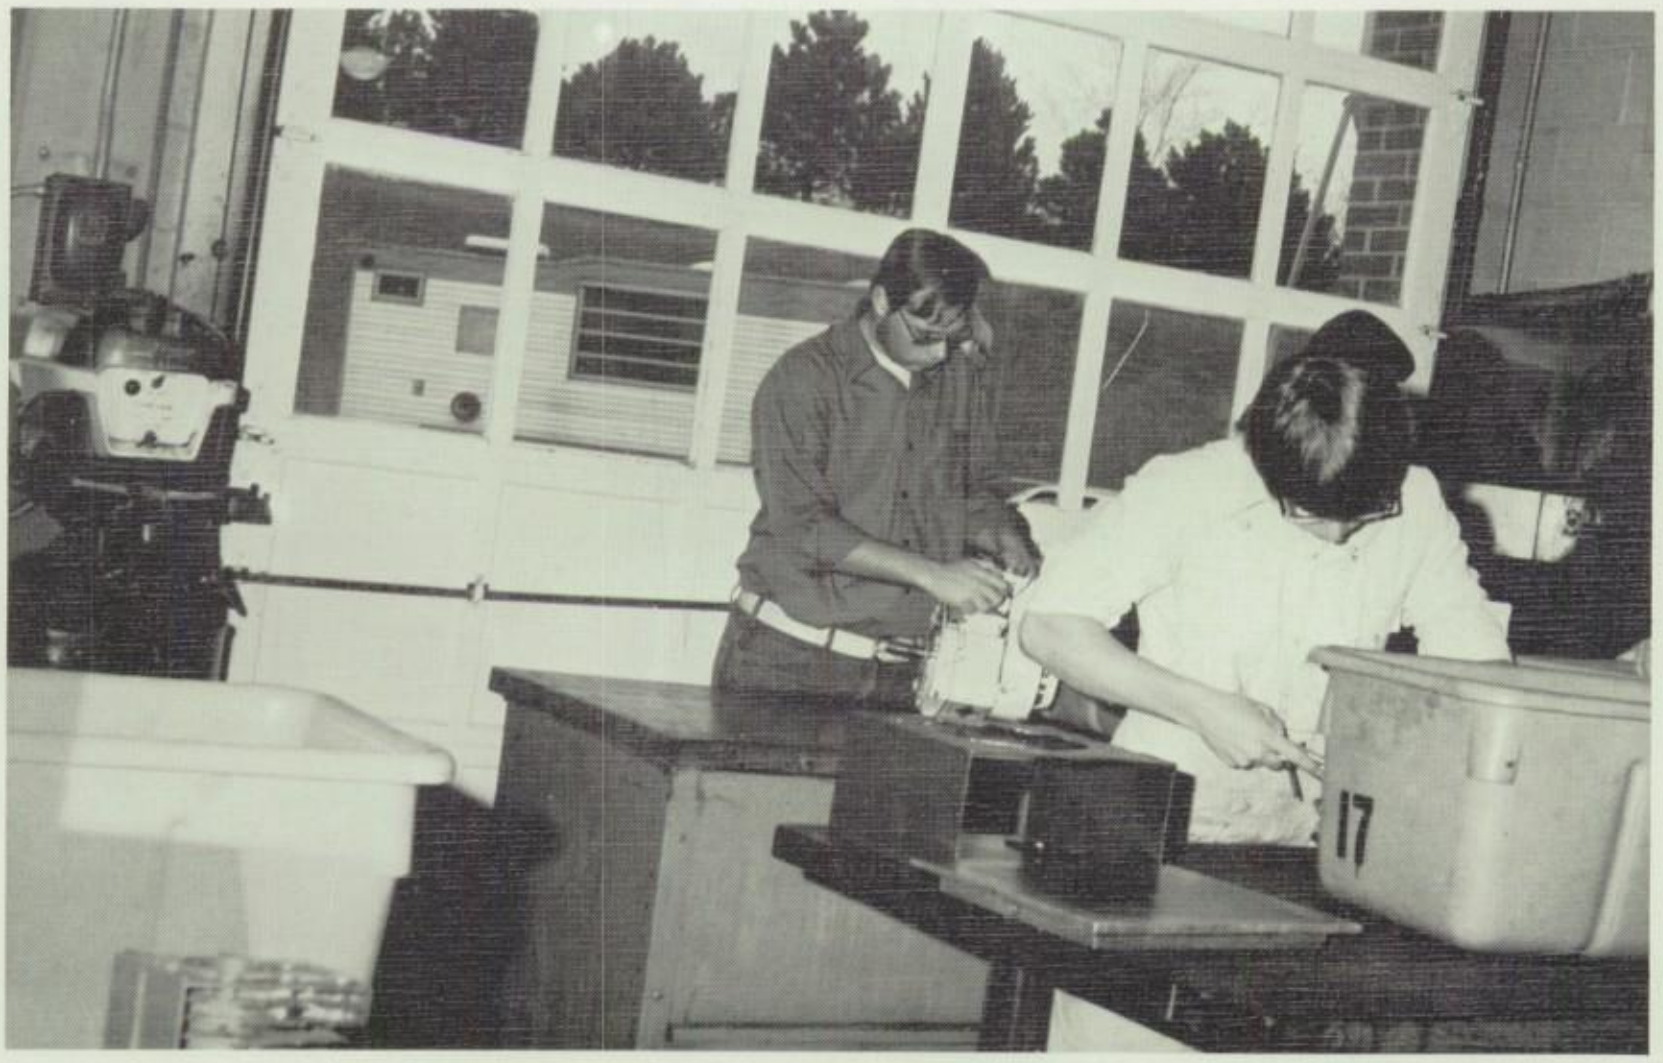
This is our Alton High GUMBY Doll.

She said, "She'll go out with me."

You guys think thats funny, wait 'till you find out that the rail was just painted.

His **favorite** class.

Boy, if I can only hold her under a few more seconds.



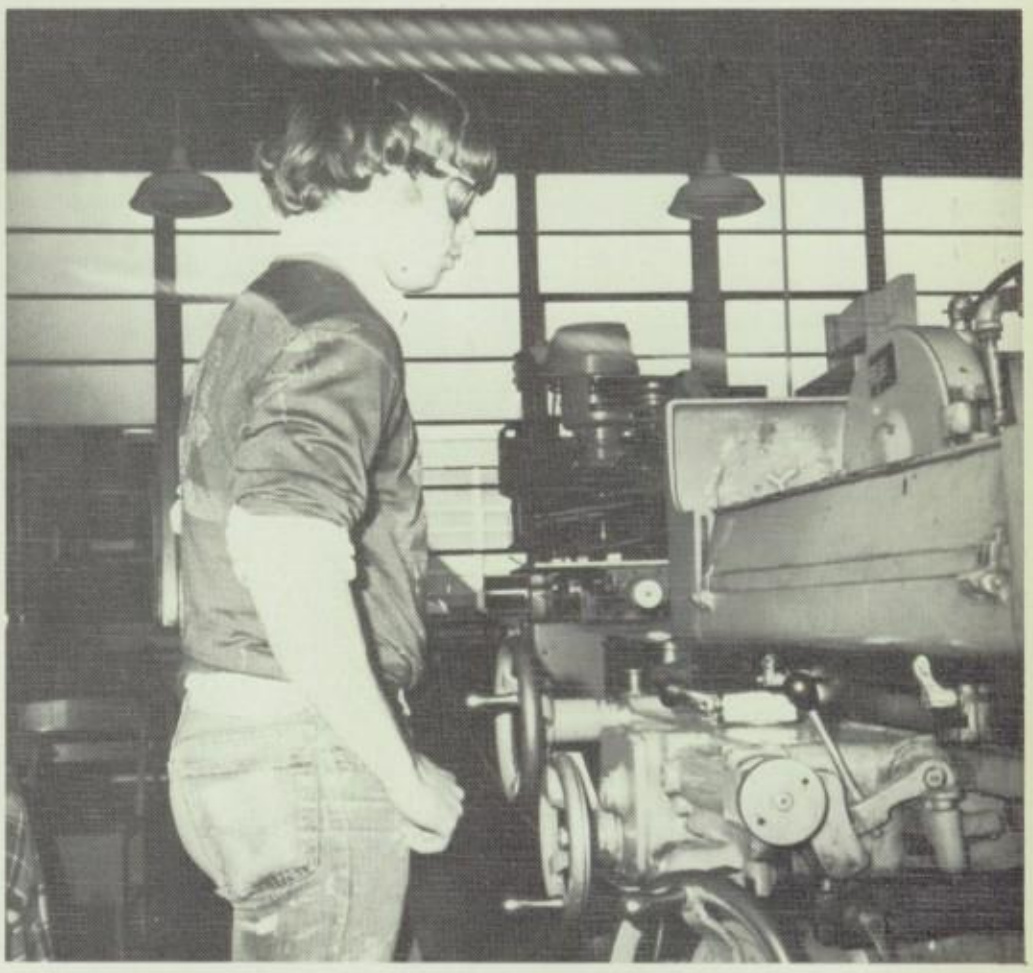
After you peel the potatoes then you add the carrots.

We dressed up today to take your mind off the cafeteria food!

Hee, hee, hows 'bout a date, Sweetie?

Final Net . . . so your hair will hold up even when you can't.

Boys, boys, don't fight about who'll sit by little ole me!



My class ring! There it goes, gone.

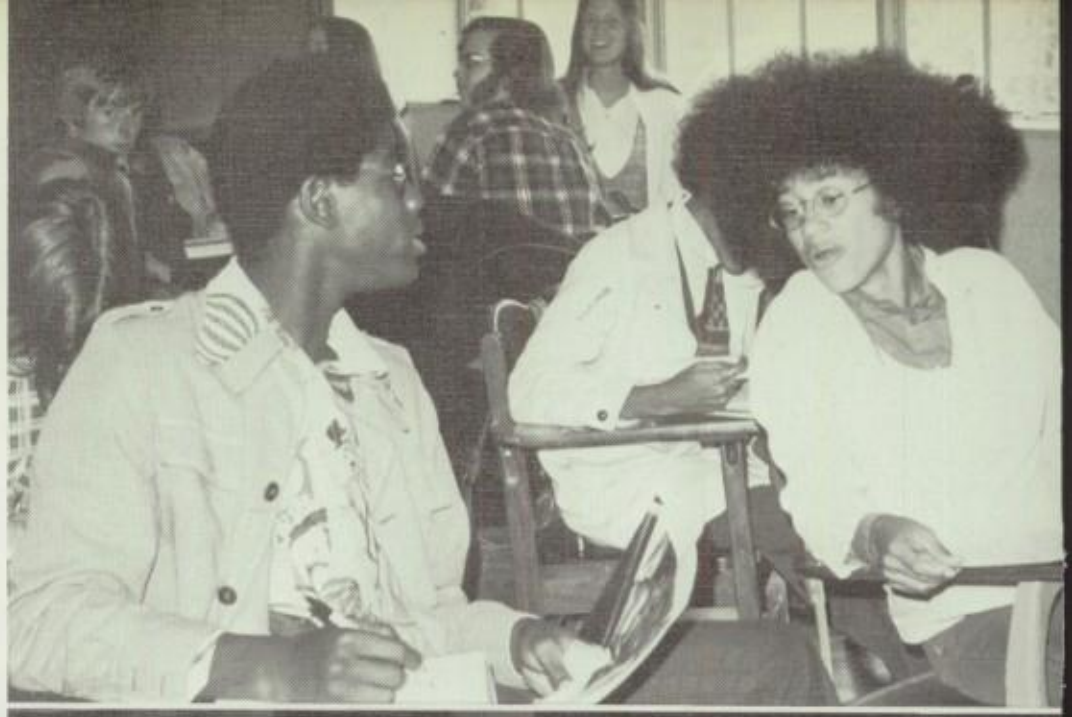
Ah, come on baby, pucker up.

I just can't believe that I still have all **5** fingers.

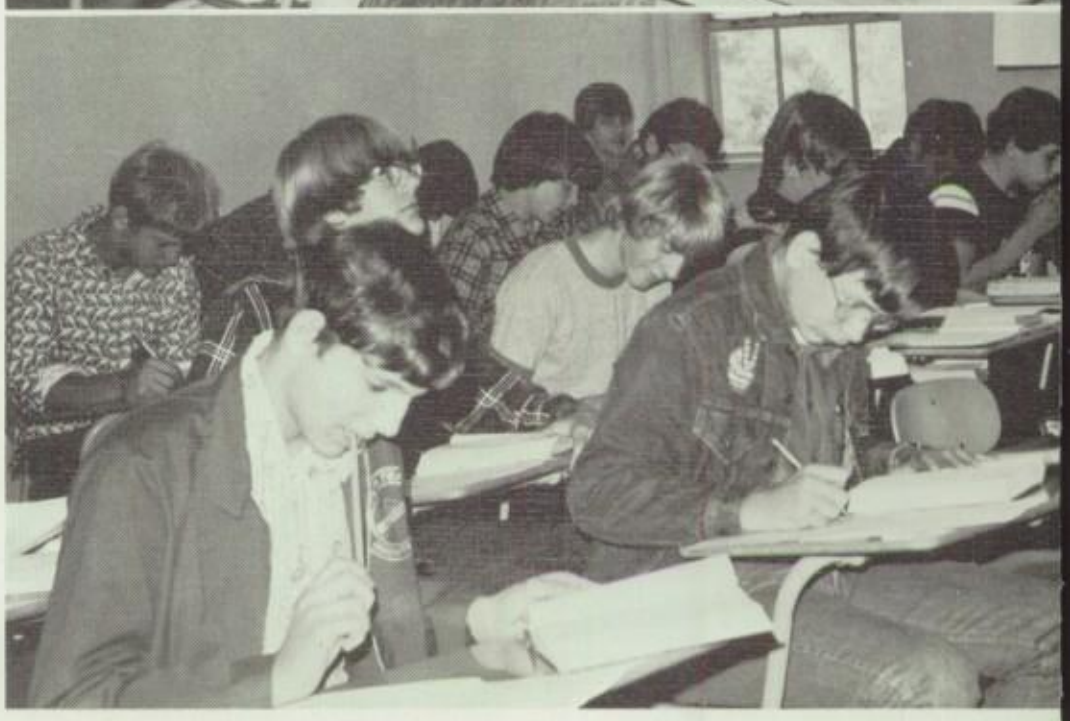
You have got to be kidding, it didn't taste sour to me.

Stairway to heaven? You gotta be puttin' me on.

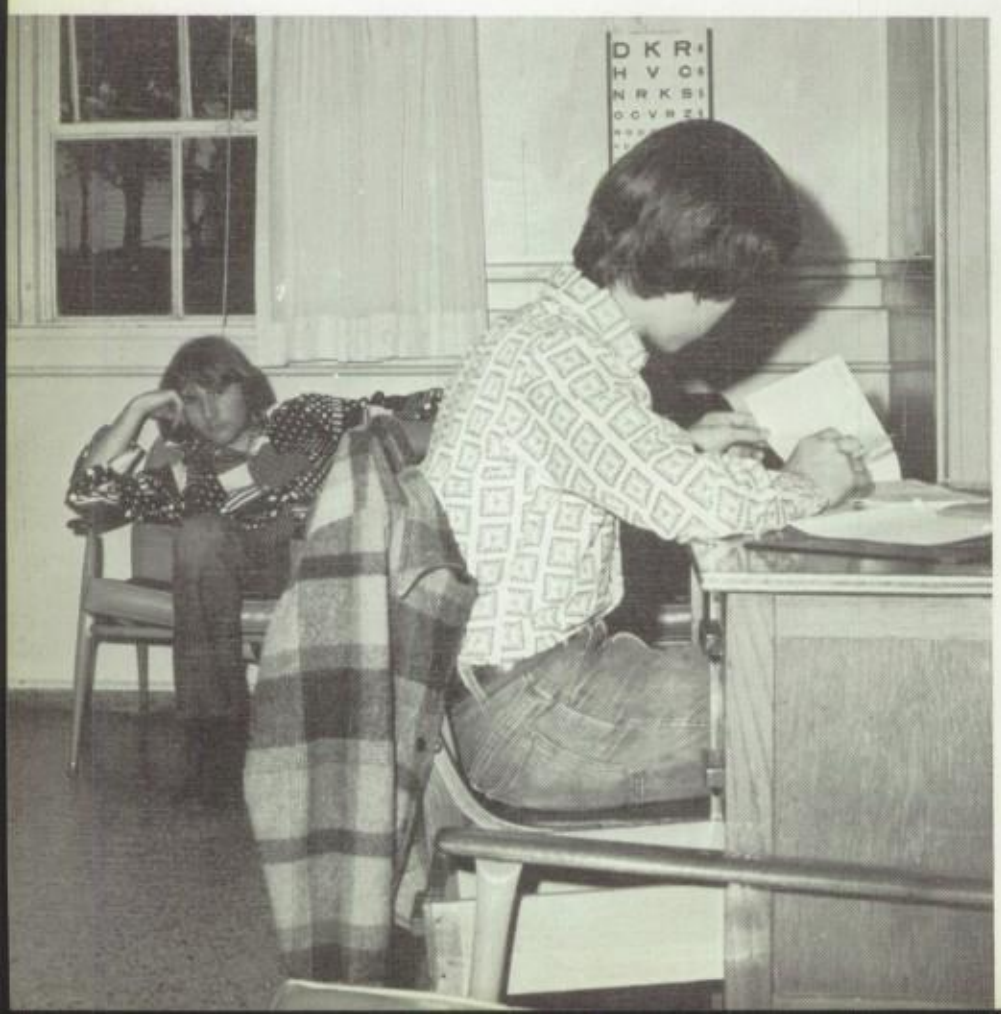
I was just going to ask you the answer?



There's always one who hears a different drummer!



Please, if I could only have the answer.



If I can only keep up this sick act for a few more minutes . . .

Goodie, Goodie! It's time to play leap frog!

In Memoriam

Mr. Cyril M. Stuchlik

Alton schools and the community lost one of its most dedicated and sincere educators on September 21, 1974. His teaching position at the time of his death included music and foreign language. There was never a time when he was too busy to help a student. He felt that he was amply rewarded through the accomplishments of his students—knowing that he had contributed to their success. There were no weaklings in his chain of students; Mr. Stuchlik's philosophy was that "An organization is no stronger than its weakest number."

Did I hear somebody call me?

How come Duckels didn't get a full page in the Senior Section?

Wait, you're not supposed to eat my write-up.

Busy, busy, busy . . .

He thinks he owns the WHOLE Tatler.

He's going to like this one!

Happiness is: Finishing the TATLER.

If I have to do this over one more time . . .

You mean we lost a kid?

Editor's Message

I was asked two years ago to become editor of this book. I now realize what a great opportunity this has been for me. This book has caught the image of high school life, the dances, the sports, the activities, the people. Through this book I have seen many sides of the high school and its students, and I am thankful for it. I hope that you, too, will find the memories of this year. Through the camera, these memories have been preserved, but it is up to you, the students, to give them value.

Special thanks must be given to Tina Pyatt, my Co-Editor, who has really kept this staff busy. All members of the staff are to be commended for their hard work and sacrifices, and above all Mr. Dale Livengood must be recognized as the man who made the TATLER run. His dedication and experience have added greatly to the quality of this book. Our deepest thanks to him.
